- A. Monthly Police Report
 - B. Monthly Public Works Report
- * C. Monthly Building Report
- * D. Treasurer's Reports
- E. Monthly Administrative Services Report
- * F. Monthly Finance Department Report
- G. Monthly Engineer's Report
- * H. Monthly Planning Report
- * I. City Park Water Usage
- * J. Public Communications

10. MAYOR AND COUNCIL MEMBER REPORTS

This section is to provide Council members an opportunity to present updates on their activities and to request items be placed on future agendas.

11. ORDINANCES & PUBLIC HEARING- None.

12. ADMINISTRATIVE AGENDA

- * A. Proposed City Council meeting calendar for 2023
- * B. Amador County Community Cleanup *Recommendation:* Approve \$1,000 to support County-wide clean-up day.

13. FUTURE AGENDA ITEMS

This section provides an opportunity for Council members to request items to be added to the agenda in the future with a majority Council vote.

14. CITY ATTORNEY'S REPORT

This section provides an opportunity for the City Attorney to report on any activities or upcoming legislation of importance to the City. No action is expected to be taken by the Council

15. CITY MANAGER'S REPORT

This section is an opportunity to provide Council members with a brief status update on staff activities. No action is expected to be taken by the Council.

16. ADJOURNMENT

The next regularly scheduled meeting is MONDAY, APRIL 3rd 7:00 P.M

MEETING DATE: MARCH 20, 2023

TO: CITY OF SUTTER CREEK CITY COUNCIL

FROM: ERIN VENTURA, PLANNING CONSULTANT

SUBJECT: PLANNING GRANT UPDATES AND PROGRESS

RECOMMENDATION:

This report is for informational purposes only.

BACKGROUND:

The City of Sutter Creek was awarded two planning grants by the State of California.

- 1. SB2
 - a. \$160,000, one time
 - b. Awarded 10/17/19
 - c. Funding and technical assistance to local governments in California to help cities and counties prepare, adopt, and implement plans and process improvements that streamline housing approvals and accelerate housing production.
- 2. LEAP (Local Early Action Planning)
 - a. \$65,000, one time
 - b. Awarded 10/16/20
 - c. Provides over-the-counter grants complemented with technical assistance to local governments for the preparation and adoption of planning documents, and process improvements that:
 - i. Accelerate housing production.
 - ii. Facilitate compliance to implement the sixth-cycle Regional Housing Needs Assessment.

The deadline for submitting invoices for reimbursement from the State is September 30, 2023.

The funding can be used for a variety of projects that will accelerate the production of housing. Some of the eligible activities are General Plan updates, Housing Element updates, Zoning Ordinance amendments, and required environmental analyses.

The City completed some updates to the General Plan in 2019, which has created some inconsistencies between the General Plan and Zoning Ordinance. In addition to inconsistency between the General Plan and Zoning Ordinance, there are additional State mandates that have not been codified. The following are the changes based on the General Plan and State mandates:

- 1. The Agricultural Zone was changed to the Residential Ranchette Zone, and the Limited Multiple Family Dwelling Zone (R-3) and the Multiple Family Dwelling Zone (R-4) were consolidated.
- 2. Public Service (PS) Zone added.

- 3. The maximum development densities set forth in the General Plan were incorporated into the zoning districts.
- 4. The commercial and industrial uses allowed in the commercial zones and industrial zones were modified for consistency with the General Plan.

As noted, the Zoning Code is also proposed to be amended to comply with disability access and fair housing laws, as well as recent changes in State Law related to housing. On these subjects, the following changes are proposed:

- 1. Chapter 18.58 was added to establish a procedure for making requests for reasonable accommodation in land use, zoning, and building regulations, in compliance with Federal Fair Housing Amendments Act of 1988 (42 U.S.C. §§ 3601 et seq.) and the California Fair Employment and Housing Act (Cal. Gov't Code §§ 12955 et seq.).
- 2. Chapter 18.61 was added to incorporate State requirements for accessory dwelling units and junior accessory dwelling units (Government Code Section 65852.2).
- 3. Chapter 18.62 was added to incorporate State Density Bonus Law (California Government Code Title 7, Division 1, Chapter 4.3, Sections 65915, et seq.).
- 4. Definitions were amended to be consistent with State Law.
- 5. Single-family zones were amended to include residential care facilities with six or fewer clients as a single-family use.
- 6. "Family daycare homes" were added as a permitted use in all zoning districts where residential use is allowed, as required by Health and Safety Code Section 1596.78.
- 7. "Emergency shelters" were added as a "by-right" use in C-2, as required by Government Code Sections 65582, 65583(a), and 65589.5, and regulations related to such facilities were added to the Zoning Code.
- 8. "Low barrier navigation centers" were added as a "by-right" use in mixed use and nonresidential zones that permit multifamily use, as required by Government Code Section 65662.
- 9. Section 18.12.060 was added to incorporate Government Code Section 65583, which requires that the City treat transitional housing as a residential use of property subject only to those restrictions that apply to other residential dwellings of the same type in the same zone, and to incorporate Government Code Section 65651, which requires that the City allow permanent supportive housing, by right, in areas zoned for multifamily and mixed use. Corresponding changes were made to the zoning districts.
- 10. Senior housing was re-defined to comply with State Law, and changes were made to ensure that senior housing is treated the same as other residential use in the underlying zoning district.
- 11. Single family zones were amended to permit employee housing for six or fewer employees as a single-family structure, as required by Health and Safety Code Section 17021.5.

In Fall of 2022 the City held a public workshop regarding proposed changes to the Zoning Ordinance. In the workshop the above amendments were presented, in addition to staff- and property owner-initiated changes.

To date, the City has completed a draft update to the Zoning Ordinance, with the changes proposed from the Fall 2022 workshop, including Zoning Map amendments and completed a draft Circulation Element. Approximately \$131,000 of the \$225,000 of grant money has been expended.

NEXT STEPS:

As time is the biggest constraint at this point, the Planning Commission will continue to work on the required changes to the Zoning Ordinance. Once they have reviewed all the changes, a recommendation will be brought to the City Council for review and adoption. Also, over the next six months, staff will complete the required environmental analysis for the projects. At this time a full Environmental Impact Report has been proposed. Staff believe that a Mitigated Negative Declaration may be suitable and will reduce the amount of time needed to complete it.

CEQA:

The City will need to prepare the required environmental documents for the code update and Circulation Element.

BUDGET IMPACT:

The City has been awarded grant money through SB2 and LEAP to cover the cost of the projects. Given the scope of this project, staff will be closely monitoring expenditures to ensure that the work does not exceed the amount of remaining grant funds.

HISTORIC SUTTER CREEK GRAMMAR SCHOOL RESTORATION PROJECT 2022 UPDATE

BACKGROUND

The school served as many as 300 students in grades 1-8 from 1871 until 1956 when it was deemed obsolete and unsafe.

The school building was registered as a National Historic Site in 1976 through the efforts of the Sutter Creek Woman's Club as part of a major 10 year renovation project.

The building is owned by the Amador County Unified School District (ACUSD) and leased to the City of Sutter Creek through a 30 year no-cost lease agreement which was established in 2013.

The purpose of the lease is to allow the City to oversee the restoration of the site for public use. The City is responsible for maintenance and repairs to the building and site as well as utility and liability costs.

The Sutter Creek Community Benefit Foundation (SCCBF) is responsible for the funding and implementation of the restorations.

THE CITY/SCCBF 2014 WORKPLAN CONSISTED OF FOUR MAJOR PHASES

1. ELIMINATION OF EXISTING PUBLIC HAZARDS

 Remove the rotted fire escape and front stairs, complete interior fire safety improvements, clean the attic

PREVENTION OF FURTHER DETERIORATION

• Repair roof leaks, drainage systems, and install fire and intrusion alarm systems

3. IMPROVEMENTS TO ALLOW LIMITED RE-USE OF SELECTED AREAS.

• Restore ADA access, service HVAC, restore first floor restrooms, and refinish wood floors

4. IMPROVEMENTS TO ALLOW FULL ACCESS

 Renovate the kitchen, upgrade the second floor restrooms, repair and/or replace windows and install new solar blinds in three rooms

INVENTORY OF MAJOR RECENT IMPROVEMENTS

- Cupola and front porch have been restored
- The front steps and sidewalks have been replaced
- The south entrance has been rebuilt
- The attic has been cleaned and insulated
- Fire and intrusion alarm systems have been installed
- Interior doors, locks and signage have been brought up to fire code

- The entire interior has been repaired, refinished and repainted
- The second level floors have been refinished
- All restrooms have been updated/repaired
- A warming kitchen has been constructed
- All 17 west wing windows are replaced, and east wing windows restored as needed.
- Solar blinds have been installed to control heat
- The east entrance has been restored
- The school flag pole/flag was replaced and restored to the original location

CURRENT STATUS

- ➤ The local community has donated over \$200,000 in support of the project.
- Four of the six rooms, including the renovated kitchen, were made available for general public use by the fall of 2019.
- One room remains as a workshop, museum archive and storage area.
- One room contains a museum designed to document and preserve our local history, educate the public and serve as a resource for local historical research.

CURRENT PROJECTS and PLANS

The SCCBF plans to continue fundraising for the museum, additional window repair/replacements, refinishing of the lower level floors, as well as other more major improvements such as significant exterior painting of wood trim and walls including masonry repairs.

Since the City acts as the "landlord" of the school, there are two potential projects SCCBF encourages the City to consider:

- 1. The early 1980's HVAC system is very inadequate and inefficient to the point that it interferes with the utility and "rentability" of several rooms. Since this is considered a maintenance/upgrade rather than a restoration, this is an issue for the City to consider.
- 2. Similarly, access to WIFI would increase the attractiveness of the building for tenants looking for a meeting or small conference site and is critical to the full realization of the museum educational and research program plans.

LONG RANGE PLANS....

SCCBF is committed to the long-term support and development of the site. SCCBF is also very interested in expanding public participation in educational programs, through the museum; such as a "Local History Club" for students as well as the general public, a digital historical document/photo/map archive and potentially a formal local history school curriculum.

SCCBF is very interested in working more closely with the ACUSD regarding issues of access, landscaping and to consider opportunities for some level of utilization by the district of the restored rooms for special occasions, such as awards ceremonies, and age appropriate lectures on local history.

THIS PROJECT HAS BEEN THE MAJOR FOCUS OF SCCBF SINCE 2014

The improvements would not have been possible without the strong public support, commitment by the SCCBF Board, City, and Native Sons of the Golden West, Parlor #17.

Special recognition is due to the core group of volunteers, including:

- Frank Cunha
- Rick McCombs
- Rick Champlin
- Sharyn Brown
- Tim Murphy

and to Lisa Klosowski for bringing the need for this project to the City Council's attention in 2013.

CITY COUNCIL MINUTES MONDAY, MARCH 6, 2023

THIS MEETING WAS CONDUCTED IN-PERSON AT 33 CHURCH STREET, THE PUBLIC WAS ABLE TO VIEW FROM HOME:

Join Zoom Meeting

https://us02web.zoom.us/j/9568520224

or

Dial by phone: 301-715-8592 Meeting ID: 956 852 0224

1. CLOSED SESSION- None.

7:00 P.M. 2. CALL TO ORDER AND ESTABLISH A QUORUM FOR REGULAR MEETING

Council members Present:

Feist, Peters, Sierk, Swift and Gunselman

Staff Present:

Derek Cole

Karen Darrow

Jodi Steneck

3. PLEDGE OF ALLEGIANCE TO THE FLAG

4. REPORT FROM CLOSED SESSION- None.

5. PUBLIC FORUM

Mike Kirkley of Sutter Creek asked about the Comcast box that is going in on Elm St. Mayor Gunselman explained that they currently have limited information on that issue and will seek clarity from the City Engineer.

6. PRESENTATIONS

A. Proclamation for City Manager Gedney

Recommendation: Mayor Gunselman will read the Proclamation Honoring City Manager Amy Gedney.

Mayor Gunselman read the proclamation.

Council member Swift expressed his appreciation for Ms. Gedney's efforts and devotion to her job and noted that she will be greatly missed.

Council member Peters concurred with Council member Swift remarks and added that the City was in poor shape financially when Ms. Gedney got here and through a steady grueling process she was able to turn it around. He noted that the city will be able to reap the benefits from what she did for a long time.

7. INFORMATION/CORRESPONDENCE

A. Annual Wastewater 2022 Report *Recommendation: For information only.*

Council member Peters noted that the Public Works crew does a good job keeping a very old secondary plant operating within the guidelines and should be commended for it.

8. MAYOR AND COUNCIL MEMBER REPORTS

Council member Sierk reported that the review of the ACRA Executive Director is ongoing and that she would like to schedule a Marketing meeting with the new Interim City Manager.

Council member Peters reported that ACTC OWP is being updated and moving towards adoption and that the RTIP is in motion as an update item for 2024 adoption.

Mayor Gunselman noted that she looked into the Signal Service bill for the Grammar School and realized it is much more costly than when the service started and has asked Jodi Steneck to look into it. She also noted that there might be some opportunities for the Sutter Creek Community Benefit Foundation to apply for grant money through a PG&E audit process for the Grammar School.

Mayor Gunselman also noted that the Sutter Creek Community Benefit Foundation will once again be hosting Ms. Irene Perbal at the Grammar School on March 11th so that she can continue her story.

9. CONSENT AGENDA

Items listed on the consent agenda are considered routine and may be enacted in one motion. Any item may be removed for discussion at the request of Council or the Public.

A. City Council Minutes of City Council Minutes of February 6, 2023 and February 14, 2023

Recommendation: By motion approve minutes as presented.

B. Warrants

Recommendation: By motion approve warrants as presented.

Council member Peters suggested a PG&E audit for the auditorium to see if there is an opportunity to reduce the power costs.

C. Termination of COVID-19 Emergency Declaration Recommendation: Adopt Resolution 22-23-* Terminating the Declaration of an Emergency Affecting the Public Heath and Safety Due to the Novel Coronavirus (COVID-19) Pandemic.

M/S Council member Peters/Sierk to approve Consent Items A, B & C with minor edits to the February 14, 2023 minutes and the Item C Resolution.

AYES: Feist, Peters, Sierk, Swift and Gunselman

NOES: None
ABSTAIN: None
ABSENT: None
MOTION CARRIED

D. Final Map Cramer Hills

Recommendation: Adopt Resolution 2022-23-* approving the Final Parcel Map 2861.

M/S Council member Peters/Feist to continue Item D to the next meeting with City Engineer Ospital present.

AYES: Feist, Peters, Sierk, Swift and Gunselman

NOES: None
ABSTAIN: None
ABSENT: None
MOTION CARRIED

E. Planning Services contract with Hauge Brueck

Recommendation:

- 1) Adopt Resolution 22-23-* entering into a contract with Hauge Brueck Associates, LLC (HBA) for On-Call Planning Services and applicant reimbursable planning services and;
- 2) Adopt Resolution 22-23-* extending the contract with Hauge Brueck Associates, LLC (HBA) for grant related planning work.

M/S Council member Sierk/Peters to continue Item E (1 & 2) to the next meeting with Erin Ventura of Hauge Brueck Associates present for contract clarification.

AYES: Feist, Peters, Sierk, Swift and Gunselman

NOES: None
ABSTAIN: None
ABSENT: None
MOTION CARRIED

F. Employment Agreement for Interim City Administrator.

Recommendation: Adopt Resolution 22-23-* Authorizing the Mayor to execute an Employment Agreement for Interim City Administrator Services.

City Attorney Cole reported that the Interim City Manager contract is for an annual salary of \$145,600.00, which is \$70 per hour as an exempt, non-benefitted employee for as long as she is here.

Mike Kirkley asked if the intent is to roll the interim into a permanent position and asked if there will be a CalPERS issue.

City Attorney Cole noted that he did not foresee a CalPERS issue.

Council member Peters commented that the initial contract term ends at the end of the fiscal year and noted that it is very important to ensure an overlap period between the Interim and Permanent City Manager and suggested amendments to the professional development section.

M/S Council member Peters/Swift to Adopt Resolution 22-23-32 Authorizing the Mayor to execute an Employment Agreement, for Interim City Administrator Services, as amended.

AYES: Feist, Peters, Sierk, Swift and Gunselman

NOES: None
ABSTAIN: None
ABSENT: None
MOTION CARRIED

10. ORDINANCES & PUBLIC HEARINGS- None.

11. ADMINISTRATIVE AGENDA

A. PARS Trust

Recommendation: For information and staff direction.

Jodi Steneck, Accounting Supervisor and Mitch Barker with PARS reviewed the proposed investment strategies.

Council member Peters suggested that it was appropriate for this item to be presented to the Finance Committee first and then come to the Council with a recommendation from the Committee.

Jodi Steneck noted that she will add it to upcoming Finance Committee agenda.

12. FUTURE AGENDA ITEMS

Council member Sierk requested:

- 1- A meeting calendar
- 2- Cemetery Rd situation
- 3- Gopher Flat Update

Council member Feist asked if the Amador Polar Bears had reached out to the City to use the pool and asked about the status of outdoor dining permits.

- 13. CITY ATTORNEY'S REPORT- None.
- 14. CITY MANAGER'S REPORT- None.
- 15. ADJOURNMENT

The meeting was adjourned at 7:48 p.m.

Claire Gunselman, Mayor

Date Approved:

SPECIAL MEETING OF THE CITY COUNCIL MINUTES TUESDAY, MARCH 14, 2023

5:00 P.M. 1. CALL TO ORDER AND ESTABLISH A QUORUM FOR REGULAR MEETING

Council members Present: Peters, Sierk, Swift and Gunselman

Absent: Feist

Staff Present: Karen Darrow Sandra Spelliscy

- 2. PLEDGE OF ALLEGIANCE TO THE FLAG
- 3. PUBLIC FORUM-None.
- 4. CLOSED SESSION

A. PUBLIC EMPLOYEE DISCIPLINE/DISMISSAL/RELEASE

5. REPORT FROM CLOSED SESSION

M/S Council member Peters/Swift to recognize that the effective date of Amy Gedney's resignation as a city employee was March 6, 2023.

AYES: Peters, Sierk, Swift and Gunselman

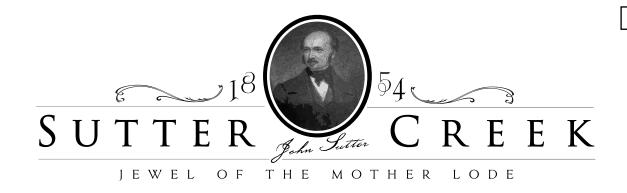

NOES: None
ABSTAIN: None
ABSENT: Feist
MOTION CARRIED

6. ADJOURNMENT

The meeting was adjourned at 6:05 p.m.

Claire G	ınselman, Mayo	r
Claire Gt	iliscilliali, iviay	1

Karen Darrow, City Clerk

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

MEETING DATE: MARCH 20, 2023

FROM: JODI ARROYOS, ACCOUNT TECHNICIAN

SUBJECT: WARRANTS TO BE PAID

RECOMMENDATION:

Attached you will find a current list of warrants to be paid.

BUDGET IMPACT:

Current list of warrants to be paid is \$47,695.28

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

DATE: MARCH 20, 2023

FROM: MATT OSPITAL, CITY ENGINEER

SUBJECT: CRAMER HILL, LLC PARCEL MAP NO. 2861

RECOMMENDATION:

Adopt Resolution 2022-23-* approving the Final Parcel Map 2861.

DISCUSSION:

Parcel Map No. 2861 for Cramer Hill, LLC has been reviewed by City staff for technical accuracy and compliance with Planning Commission Resolution No. 17-18-07 Conditions of Approval. The map is technically correct and in conformance with Chapter 17.20 Final Maps of the City Code and deemed acceptable for submittal to the City Council for approval and acceptance of the access and public utility area dedicated in fee.

Condition of Approval #5 required dedication of a 65-foot-wide right of way for the David Drive Extension. A request from the owner was made to reduce the proposed right of way width to 50 feet, as some of the proposed lots would not meet the minimum building area for setback requirements. I along with other City staff supported the decision to reduce the width to 50 feet right of way based on the findings that the map substantially conforms to the tentative map.

Building Permits for any of the new parcels shown in Parcel Map No. 2861 shall meet the CCR's as referenced in Document 2022-0010318, Amador County Records.

All building and impacts fees are to be paid at building permit issuance, including for Amador County Recreation Agency fee.

Local Traffic Mitigation Fees collected shall be utilized for improvements to Raylan Drive.

Each new residential dwelling shall contribute, in addition to the local traffic mitigation fees, an additional traffic mitigation fee of \$1,000 per dwelling unit to be used for improvement to Raylan Drive.

None.	
#1045 Staff Report-Approval of Map-2023-02-22.docx	

BUDGET IMPACT:

RESOLUTION 22-23-*

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUTTER CREEK APPROVING PARCEL MAP NO. 2861 FOR CRAMER HILL LLC

WHEREAS, City Planning Commission did by Resolution No. 17-18-07 approve a Tentative Map for creation of four parcels within the City of Sutter Creek; and

WHEREAS, time extensions for the approved tentative map have been processed and approved in accordance with City Code; and

WHEREAS, the City Engineer has certified Parcel Map 2861 complies with Tentative Map Conditions of Approval and found to be technically correct.

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Council of the City of Sutter Creek approves Parcel Map 2861 in accordance with Chapter 17.20 of City Code, and

BE IT FURTHER RESOLVED offers of dedication set forth on Parcel Map No. 2861 for:

- 1. Public Utility Easements
- 2. Public Facility Easements
- 3. Ten foot (10') wide walking path
- 4. Slope Maintenance Easement
- 5. Right of Way for David Drive fronting lots 52A, 52B, 52C, and 52D

Which are hereby accepted, and

BE IT FURTHER RESOLVED all other offers of dedication are hereby rejected at this time but remain offered in perpetuity, and

BE IT FURTHER RESOLVED development on parcels of this map shall comply with the following: -

- 1. All building and impacts fees are to be paid at building permit issuance, including to Amador County Recreation Agency.
- 2. Local Traffic Mitigation Fees collected shall be utilized for improvements to Raylan Drive.
- 3. Each new residential dwelling shall contribute, in addition to the local traffic mitigation fees, an additional traffic mitigation fee of \$1,000 per dwelling unit to be used for improvement to Raylan Drive, and

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to record this Parcel Map 2861 in a timely manner.

Karen Darrow, City Clerk	
	Claire Gunselman, Mayor
ATTEST:	
AYES: NOES: ABSTAIN: ABSENT:	
Council of the City of Sutter Creek on the	ne 20th day of March, 2023 by the following vote.

The foregoing resolution was duly passed and adopted at a regular meeting of the City

STAFF REPORT

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY

COUNCIL

MEETING DATE: MARCH 20, 2023

FROM: **ERIN VENTURA**

SUBJECT: HAUGE BRUECK ASSOCIATES, LLC CONTRACT

RECOMMENDATIONS:

1) Adopt Resolution 22-23-* entering into a contract with Hauge Brueck Associates, LLC (HBA) for On-Call Planning Services and applicant reimbursable planning services and;

2) Adopt Resolution 22-23-* extending the contract with Hauge Brueck Associates, LLC (HBA) for grant related planning work.

BACKGROUND:

The City has contracted with HBA for various planning related work for the last the (10) years. HBA has provided both on call planning services for the City, which is paid for out of the General Fund, and also applicant-initiated work. Applicant-initiated work is paid for by the applicant, having no financial impact on the City. HBA has more recently been working on grant funded projects for the City, specifically the Zoning and Development code updates and the accompanying environmental review.

DISCUSSION:

The contract for on call planning services has expired, and staff is recommending that the City enter into a new contract with HBA for on call planning services and applicant reimbursable planning services. Previous the City had two separate contracts for those services. The recommend term of the contract is eighteen (18) months, January 1, 2023 to June 30, 2024.

In 2019, the City entered into an agreement with HBA to update the Zoning Code. The work is in process and will be wrapping up this year. All eligible expenses will be reimbursed through grant funding. All grant related reimbursable work must be completed and invoiced to the State by September 2023.

RESOLUTION 22-23-*

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUTTER CREEK APPROVING A CONTRACT WITH HAUGE BRUECK ASSOCIATES, LLC (HBA) FOR ON-CALL PLANNING SERVICES AND APPLICANT REIMBURSEABLE PLANNING SERVICES FOR AN EIGHTEEN MONTH TERM FROM JANUARY 1, 2023 THROUGH JUNE 30, 2024 AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACTS

WHEREAS, the City has contracted for over ten years with Hauge Brueck Associates, LLC for planning services; and

WHEREAS, The City of Sutter Creek had two separate contracts for on-call planning services and applicant reimbursable services with Hauge Brueck Associates, LLC and wishes to combine them into one contract; and

WHEREAS, the existing contract for on-call planning services expired in on June 30, 2019 and the applicant reimbursable services contract expired in on June 30, 2019; and

WHEREAS, new a contract is required to continue the planning services provide by Hauge Brueck Associates LLC; and

WHEREAS, the long-term relationship between Hauge Brueck Associates LLC for oncall planning services and applicant reimbursable project expenses are charged at reduced rates; and

WHEREAS, applicants will be required to reimburse the City of Sutter Creek for any incurred planning related fees; and

NOW THEREFORE BE IT RESOLVED, the City Council does hereby authorize the City Manager to execute a single contract, as outlined in Attachment A, with Hauge Brueck Associates LLC for on-call planning services and applicant reimbursable planning services for a term of eighteen (18) months.

The foregoing resolution was duly passed and adopted this 20th day of March, 2023, by the following vote:

HBA On-Call Planning Services Contract 2023/2024

CITY OF SUTTER CREEK AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES ON-CALL STAFF

This Agreement is made and entered on January 1, 2023 and ends June 30, 2024 by and between the City of Sutter Creek, a municipal corporation of the State of California (hereinafter "CITY") and Hauge Brueck Associates, LLC (hereinafter "HBA").

RECITALS

WHEREAS, Robert Brueck and Erin Ventura, associates of HBA, are experienced in providing city planning, permitting, public outreach and environmental consulting services and are experienced working with the City of Sutter Creek on planning, permitting, public outreach and environmental projects; and

WHEREAS, CITY requires on-call staff planning services in support of the Planning Department, the Planning Staff may, from time to time, require expert advice, interpretation of regulation, and consultant staff to meet deadlines, prepare reports and analysis, and attend and facilitate meetings.

WHEREAS, CITY desires to engage HBA to render project planning consulting services for said planning staff assignments and HBA represents that HBA possesses the professional qualification to provide such consulting services.

CITY and HBA agree to enter into this AGREEMENT for the performance of on-call consulting services on the terms and conditions stated in this AGREEMENT.

NOW, THEREFORE, in consideration for the promises set forth herein, the receipt and adequacy of which is hereby acknowledged, the parties hereto agree as follows:

ARTICLE I SCOPE OF SERVICES AND TERM

1.1 General Scope of Services

Upon receipt of written authorization from CITY, HBA at HBA's sole cost and expense (to be reimbursed as provided in this Agreement) and to the satisfaction of CITY, shall perform on-call services (Services) set forth by individual City requests for applicant reimbursable and non-applicant reimbursable services. Services may include, but are not limited to:

- a. General consultation with City staff;
- b. Peer review of planning and environmental documents;
- c. Staff to the City Council, Planning Commission, and Design Review Committee;
- d. Preparation of staff reports and coordination with City staff and the public;
- e. Outreach and public involvement activities;
- f. Review of site plans for residential and commercial projects;
- g. Review of conditional use, encroachment, and sign permits;
- h. Review of lot adjustment maps, tentative subdivision maps, and final subdivision maps;
- i. Preparation of documents supporting permit review;
- j. Preparation of General Plan amendments;
- k. Preparation of Municipal Code amendments;
- 1. Management of mitigation monitoring programs;
- m. Preparation of planning and environmental reports;
- n. Preparation of CEQA compliance documents; and
- o. Geographic Information Systems support.

Each assignment shall be tracked separately to document the Services performed, schedule for completion, and cost including labor and any subcontractors, and expenses both direct and indirect, but shall otherwise be governed by the terms and conditions of this Agreement.

1.2 Term

The term of this Agreement runs through the fiscal year ending on June 30, 2024 or until such time as it is terminated pursuant to the provisions in Article V of this Agreement.

ARTICLE II RESPONSIBILITIES OF CONSULTANT

2.1 Control and Payment of Subordinates

CITY retains HBA on an independent contractor basis and HBA is not an employee of CITY. The personnel performing the Services under this Agreement on behalf of HBA shall be under HBA's exclusive direction and control. HBA shall pay wages, salaries, and other amounts due such personnel in connection with their performance of services under this Agreement and as required by law. HBA shall be responsible for reports and obligations with respect to such personnel, including, but not limited to social security taxes, income tax withholding, unemployment insurance, and workers' compensation insurance.

2.2 Conformance to Applicable Requirements

All work prepared by HBA shall be subject to the approval of CITY.

2.3 Standard of Care: Licenses

HBA shall perform the Services under this Agreement in a skillful and competent manner. HBA shall be responsible to CITY for any errors or omissions in its execution of this Agreement. HBA represents and warrants to CITY that it has all licenses, permits, qualifications, and approvals of whatever nature that are legally required to practice its profession. HBA further represents and warrants that it shall keep in effect all such licenses, permits, and other approvals during the term of this Agreement.

2.4 Representatives

HBA assigns Erin Ventura as its Representative who shall coordinate Services. The HBA Representative shall be available to the CITY at mutually agreeable and reasonable times. HBA may appoint another person as an HBA Representative upon written notice to CITY. The City Manager shall act as CITY's Representative for purposes of carrying out this Agreement.

2.5 Accounting Records

HBA shall maintain complete and accurate records with respect to costs and expenses incurred under this Agreement. Such records shall be clearly identifiable. HBA shall allow an authorized representative of CITY, during normal business hours, to examine, audit, and make transcripts of copies of such records. HBA shall allow inspection by CITY of work, data, documents, proceedings, and activities related to the Agreement for a period of three (3) years from the date of final payment under this Agreement.

ARTICLE III FEES AND PAYMENTS

3.1 Compensation

HBA shall receive compensation for Services rendered under this Agreement at the rates set forth in the attached Exhibit A, Schedule of Hourly Billing. Total compensation through the term of the Agreement shall be tracked and reported in each monthly progress report.

3.2 Payment of Compensation

HBA shall provide to CITY a monthly progress report that indicates work completed, work to be completed, issues with resolution, and hours of service rendered. CITY shall, within 30 days of receiving such statement from HBA, review the statement and pay all approved charges thereon.

3.3 Reimbursement for Expenses

HBA shall be reimbursed for expenses when authorized in writing by CITY.

ARTICLE IV INDEMNIFICATION AND INSURANCE

4.1 Indemnification

HBA shall defend, indemnify, and hold the CITY, its officials, officers, employees, and agents free and harmless from any and all liability from loss, damage, or injury to property or persons, including wrongful death, in any manner arising out of or incident to any negligent acts, omissions, or willful misconduct of HBA arising out of or in connection with HBA's negligent performance of this AGREEMENT, including without limitation the payment of attorneys' fees. Further, HBA shall defend at its own expense, including attorneys' fees, CITY, its officials, officer, employees, and agents in any legal action based upon such negligent acts, omissions, or willful misconduct. The indemnity obligations of HBA contained in the foregoing sentences or anywhere else within this Agreement shall not be applicable to any liability whatsoever, including, without limitation, claims, losses, damages, or other costs of any nature, that are based upon, occasioned, or attributable to any injury, default, or damage arising from any negligent act, error, or omission or willful misconduct of CITY, its servants or agents, or persons from whom it has assumed responsibility in the performance or purported performance of this Agreement, from and against which CITY shall indemnify, defend, and hold HBA harmless.

4.2 Insurance

HBA shall obtain and shall require its subcontractors to obtain insurance of the types and in the amounts described below and satisfactory to CITY.

4.2.1 Commercial General Liability Insurance

HBA shall maintain occurrence version commercial general liability insurance of equivalent form with a combined single limit of not less than \$1,000,000 per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two times the occurrence limit.

4.2.2 Business Automobile Liability Insurance

HBA shall maintain business automobile liability insurance or equivalent form with a combined single limit of not less than \$1,000,000 per occurrence. Such insurance shall include coverage for owned and hired automobiles.

4.2.3 Professional Liability Insurance

HBA shall maintain errors and omissions liability insurance with a limit of not less than \$1,000,000 each claim. Such insurance shall be maintained for a minimum of three years following completion of the Services.

4.2.4 Workers' Compensation Insurance

HBA shall maintain workers' compensation insurance with statutory limits and employers' liability insurance with limits of not less than \$1,000,000 per accident.

4.3 Additional Insured's

Such insurance shall name CITY, its officials, officers, employees, agents, and consultants, as Insured's with respect to performance of Services. Such insured status shall contain no special limitations in the scope of its protection to the above-listed Insured's. All Professional Liability insurance shall be primary with respect to any insurance or self-insurance programs covering CITY, its officials, officers, employees, agents, and consultants and shall contain standard separation of Insured's provisions.

4.4 Certificates of Insurance

HBA shall, prior to commencement of the Services, furnish to CITY properly executed certificates of insurance, and certified copies of endorsements and policies, which shall clearly evidence all insurance required in this Section. HBA shall not allow such insurance to be canceled, expire, or be materially reduced in coverage except on 30 days prior to written notice to CITY.

4.5 Term of Coverage

HBA shall maintain all insurance required by this Agreement from the time Services commence until Services are completed, except as may be otherwise required by this Article. HBA shall replace any policies, certificates, and endorsements for any insurance expiring prior to completion of the Services.

4.6 Licensed Insurer

HBA shall place all insurance with insurers licensed to do business in California.

ARTICLE V TERMINATION

5.1 Notice of Termination

CITY may, by written notice to HBA, terminate the whole or any part of this Agreement at any time and without cause by giving written notice to HBA of such termination, and specifying the effective date thereof, at least seven (7) days before the effective date of such termination. HBA shall discontinue all Services affected within seven (7) days of receipt of such notice, unless otherwise instructed by CITY in writing.

5.1.1 Termination For Convenience

If termination is for the convenience of the CITY, HBA shall be paid for Services performed through the date of termination, upon receipt of written documentation by CITY. Such payment shall include a pro-rated amount of profit, if applicable, but no amount shall be paid for anticipated profit on unperformed services.

5.1.2 Termination for Cause

If termination is due to HBA's failure to fulfill its obligations under this Agreement, HBA shall be compensated for Services that have been completed and accepted by CITY. HBA shall be liable to CITY to make satisfactory any unsatisfactory work received from HBA, which at CITY's reasonable discretion must be revised, in part or in whole, to complete Services. In no event shall HBA be liable to CITY or any third party for consequential, special, indirect, or incidental damages or lost revenue or profits in connection with this Agreement.

5.2 Procurement of Similar Services

In the event this Agreement is terminated in whole or in part as provided by this Article, CITY may procure, upon such terms and in such manner as it may determine appropriate, services similar to those terminated.

5.3 Work Product

If this agreement is terminated as provided in Section 5.1 of this Agreement, or at the time that HBA completes the work required under this Agreement, CITY may require HBA to provide all finished or unfinished documents,

data, studies, drawings, reports, etc., prepared by HBA in connection with the performance of Services under this Agreement.

ARTICLE VI GENERAL PROVISIONS

6.1 Entire Agreement

This Agreement contains the entire Agreement of the parties with respect to the subject matter hereof, and supersedes all prior negotiations, understandings, or agreements. This Agreement may be modified only by writing and when signed by both parties.

6.2 Successors and Assigns

This Agreement shall be binding on the successors and assigns of the parties, and shall not be assigned by HBA without the prior written consent of CITY.

6.3 Subcontracts

HBA shall not subcontract any portion of the work required by this Agreement without prior written approval of CITY. All approved subcontracts, if any, shall be accompanied by a written instrument. Such instrument shall contain an express assumption by the subcontractor of all conditions and terms and covenants contained in this Agreement.

6.4 Equal Opportunity Employment

HBA represents that it is an equal opportunity employer and shall not discriminate against an employee or applicant for employment with HBA on the basis of race, color, religion, national origin, ancestry, sex, or age.

6.5 Attorney's Fees

If either party commences an action against the other party arising out of or in connection with this Agreement, the prevailing party in such litigation shall be entitled to have and recover from the losing party reasonable attorney's fees and costs of suits.

6.6 Governing Law

This Agreement shall be governed by and construed with the laws of the State of California.

6.7 Time of Essence

Time is of the essence for each and every provision of this Agreement.

6.8 Right to Employ Other Consultants

CITY reserves right to employ other consultants in connection with Services.

6.9 Delivery of Notices

All notices permitted, or required under this Agreement, shall be deemed made when delivered to the applicable parties representative as provided in this Agreement. Additionally, such notices may be given to the respective parties at the following address, or at such other address as the respective parties may provide in writing for this purpose:

RESOLUTION 22-23-* A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUTTER CREEK EXTENDING THE AGREEMENT WITH HAUGE BRUECK ASSOCIATES, LLC (HBA) FOR GRANT RELATED PLANNING SERVIVCES

WHEREAS, the City has contracted for over ten years with Hauge Brueck Associates, LLC (HBA) for planning services; and

WHEREAS, the City adopted Resolution 2020-2021-05 entering into a contract with HBA to update its Zoning Code as a result of receiving an SB2 grant; and

WHEREAS, the purpose of the SB2 grants are to align the City with State standards to reduce the time and cost required to prepare housing applications, reduce the time to process housing applications, reduce the need and cost for preparing special traffic studies, and to streamline the City's development review process; and

WHEREAS, with the SB2 funds, the City intends on updating its Zoning Code and Zoning Map, adopting a Development Code and completing a traffic analysis used for a General Plan and Circulation Plan update; and

WHEREAS, the three projects will also include the appropriate CEQA documentation; and

NOW THEREFORE BE IT RESOLVED, the City Council hereby authorizes the City Manager to execute Amendment #2 between the City of Sutter Creek and Hauge Brueck Associates, LLC outlined in Attachment B, extending the contract for grant related planning services.

BE IT FURTHER RESOLVED,

The foregoing resolution was duly passed and adopted this 20th day of March, 2023, by the following vote:

CONTRACTING SERVICES AGREEMENT BETWEEN CITY OF SUTTER CREEK AND HAUGE BRUECK ASSOCIATES LLC, TO UPDATE THE ZONING CODE AMENDMENT 3

This AMENDMENT 3 to the Agreement dated August 20, 2019 is made and entered on February 22, 2023 by and between the City of Sutter Creek, a municipal corporation of the State of California (hereinafter "CITY") and Hauge Brueck Associates, LLC (hereinafter "HBA").

Amendment 3 extends the Agreement Term of Services (Section 1.1) to end on December 31, 2023. Amendment 3 updates the Scope of Work in Attachment A to clarify that an EIR will be prepared for the zoning code, development standards and circulation element. No other changes to the scope of work or budget are proposed.

Amendment 3 updates the address and contact for Contractor Notices (Section 10.10) as follows:

Hauge Brueck Associates, LLC Attn: Robert Brueck, Manager 3606A Greystone Drive Austin, TX 78731

No other changes are made to the terms of the Agreement dated August 20, 2019.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment 3 on the date first herein above written.

CITY	
City of Sutter Creek	
CONSULTANT: Hauge Brueck Associates, l	LLC
By:Robert Brueck, Manager	

THIS AGREEMENT for services was entered into by and between the City of Sutter Creek, a municipal corporation in the State of California (hereinafter referred to as "City"), and Hauge Brueck Associates LLC (hereinafter referred to as "Contractor") as of August 20, 2019 and is amended on February 22, 2023.

EXHIBIT A SCOPE OF WORK – AMENDMENT 3

This Scope of Work is to perform tasks implementing the California SB2 Grant and LEAP Grant. The work includes preparation of the Code of Ordinance update, preparation of Development Standards, support of the Circulation Element update and a City Wide Master Environmental Impact Report. This amendment 3 extends the contract term through December 31, 2023. This amendment clarifies that an EIR will be prepared for the zoning code, development standards and circulation element. No other changes are included.

Code of Ordinances

The following tasks will update Title 18 of the Sutter Creek Municipal Code (Zoning Ordinance) to be consistent with the General Plan and support to the consulting teams preparing the City Development Standards and Circulation Element Update funded by the 2019 SB 2 Grant. The zoning map prepared with the General Plan Land Use Diagram update will be updated as part of this project. Because this code update implements the General Plan, a Mitigated Negative Declaration supplementing the General Plan IS/ND is assumed as the appropriate CEQA process.

PHASE 1: POLICY AND REGULATORY AUDIT

The purpose of this first phase is to establish a solid baseline for the successful update of the Zoning Ordinance including a full assessment of the implementation strategies contained within the Sutter Creek General Plan and an analysis of issues significant to the community. This will entail a review of the Zoning Ordinance to identify areas of inconsistency or insufficiency. This phase involves staff meetings, data collection and review, analysis of the General Plan and Zoning Ordinance, meetings with key community stakeholders and public workshops.

Task 1.1 General Plan and Zoning Code Audit

At the outset of the project the City will provide HBA with the annotated Zoning Code compiled by City Staff over the past few years.

A memo will be sent to the Planning Commission and City Council requesting input on items to be addressed in the Zoning Code based on their experience.

A review of the General Plan will be completed to identify policies and implementation strategies that require updating the zoning code to ensure consistency.

Zoning related issues important to the community will be identified through the review of relevant plans, policies, and regulations adopted by the City. Zoning issues will be reviewed in the annotated Zoning Code maintained by the City staff.

This review will assess the adequacy of the existing Zoning Code in compliance with state and federal laws. The review will assess the appropriateness of the Zoning Code in terms of:

- Structure and organization;
- Regulatory purpose;
- Processing and procedural streamlining;
- Compliance with adopted plans and policies;
- Existing zoning districts, allowed uses, and development standards;
- General development standards; and
- Special use provisions.

The City adopted the General Plan update in July 2019. The update includes conversion of eight parcels along Hanford Street from C-2 Commercial to R-4 Multiple Family Residential and from RSF Residential Single Family to RH Residential High Density. The R-4 Zone allows multifamily uses by right with site plan review to assure compliance with City standards. The Zoning Map will be updated in compliance with the General Plan Land Use Designation Diagram. The General Plan created a Public Service land use designation that requires modification of the Zoning Code to include a PS Public Service zone. The General Plan added an Environmental Justice Element and the Zoning Code will be modified to be consistent with the General Plan. The Zoning Code will be updated to meet current State regulations and to be consistent with the General Plan. The current Zoning Code includes development standards that will be removed and placed in the new Development Standards to reduce duplication of standards and have clear division between zoning and development standards. A Zoning Code Checklist will be created to streamline the application preparation and review process.

The General Plan identifies areas where additional development standards are needed to fully implement the policies contained within the document (e.g. ridgeline preservation, public service designation, revised residential allowances

within industrial and service areas, development standards, etc.). Specific zoning code language will be crafted to implement the relevant General Plan policies. Development standards in the Zoning Code or required by the General Plan will be identified to be placed in the new Development Standards document. New and revised definitions will be created to ensure the Zoning Code reflects current terminology and uses and provides adequate definition to avoid confusion or misinterpretation. The new definitions will be incorporated into the General Plan Glossary, Volume II and summarized, as appropriate, in the Zoning Code.

Deliverables: Summary Report of Task 1.1.

PHASE 2: PREPARE DRAFT ZONING CODE

The purpose of this phase is to establish a code outline and standard format, then prepare component pieces of the Zoning Code for staff and attorney review and review by the City's Planning Commission and City Council.

Task 2.1 Update Zoning Code Development Standards and Definitions

An administrative draft revision to the Zoning Code will be prepared. The administrative draft will accomplish the following:

- Establish clear and specific development regulations for all land use districts;
- Assist the consultant preparing the Development Standards in identifying the standards removed from the Zoning Code and incorporated into the Development Standards. Provide input to the consultant on additional development standards appropriate for the City of Sutter Creek.
- Review existing standards, including Design Standards, to assure they are current, complete, and appropriate for the City of Sutter Creek.
- Achieve consistency with the General Plan, state and federal laws;
- Describe the program and process under which development applications will be reviewed;
- Present the code in a format that is reader-friendly and executable:
- Include sufficient graphic support for regulations.

Deliverables: Camera-ready copy of the Administrative Draft Zoning and electronic copies for posting to the City's website.

Task 2.2 Joint Public Workshop to Review of Draft Zoning Code A noticed joint Planning Commission, City Council, and public workshop will be conducted to understand key issues associated with the project and review the recommended changes identified in Task 1.1 and Draft Zoning Code. This workshop format allows for individual conversations with interested members of

the public. Input will be collected through written comments made by the participants.

Deliverables: One electronic copy of the direction received from the City

Council and Planning Commission will be prepared for posting to the City's website and distribution to the Planning

Commission and City Council.

Meetings: Joint public workshop with the City Council and Planning

Commission.

PHASE 3: PUBLIC HEARING DRAFT ZONING CODE AND CEQA PROCESS

Task 3.1 Incorporate Directed Amendments to Draft Documents
Upon completion Phase 2 Tasks, the Draft Zoning Code text will be modified in accordance with direction from the City Manager and City Attorney, the Planning Commission, and the City Council. This amended document will form the project description and product for the CEQA review.

Task 3.2 Prepare Initial Study / Negative Declaration

An <u>EIR</u> Initial Study will be prepared in accordance with CEQA tiering off the General Plan IS/ND. The <u>EIR</u> Initial Study will evaluate all potential environmental impacts associated with proposed text and map amendments. It is assumed that the Initial Study findings will result in the preparation of a Negative Declaration.

Deliverables: One electronic copy for City distribution and 15 electronic copies for OPR along with the OPR Summary Form.

Task 3.3 Public Notification and Circulation

The final environmental documents will be prepared, noticed and circulated, including all supporting documentation. Documents shall include, but are not limited to, Notice of Intent to Adopt and Initial Study.

Task 3.4 Review Hearings

Public Hearings by the Planning Commission and City Council will be held on the Draft Zoning Ordinance, Zoning District Map, and CEQA documents. At the conclusion of Phase 3 hearings, the City Council will direct staff to incorporate changes into the Final Zoning Code.

Deliverables: One staff report for Planning Commission and one draft

staff report for City Council

Meetings: One public hearing with Planning Commission and one

public hearing with City Council

PHASE 4: ADOPTION AND PUBLICATION

Task 4.1 Prepare Final Draft Zoning Code, and CEQA Documents At the conclusion of Phase 3 the Final Zoning Code will be prepared for adoption.

Deliverables: One (1) electronic copy for distribution.

Task 4.2 Public Notification, Circulation, and Response to Inquiries The public will be notified, and project documents circulated. Staff will be available during the circulation period to answer draft document questions.

Deliverables: Public Hearing notices as required for City distribution.

Task 4.3 Planning Commission Hearing

Staff will generate a staff report and attend a public hearing of the Planning Commission for recommendation and adoption of the Final Zoning Code and CEQA documents.

Deliverables: Staff report for Planning Commission

Meetings: One public hearing with Planning Commission

Task 4.4 Planning Commission Draft Zoning Code

A revised draft Zoning Code will be created based on comments and direction from the Planning Commission hearing.

Deliverables: Draft Zoning Ordinance

Task 4.5 City Council Hearing

A final Zoning Code and CEQA document will be prepared and public hearing held to consider adoption of the zoning code.

Deliverables: Final draft zoning code

Meetings: One public hearing with City Council

Task 4.6 Final Zoning Code Document

The final version of the Zoning Code will be prepared based on input from the City Council.

Deliverables: One camera-ready original of the document. One set of

Word files and one set of PDF files.

Development Code

The City currently has development standards embedded in the zoning code, General Plan, or located in separately adopted standards. A Development Code will be created that consolidates standards in one document that will be internally consistent with the General Plan. A Development Code checklist will be created to streamline the application preparation and review process. The Development Code and Development Code Checklist will reduce the time required by the City to review application compliance and confirm compliance with City standards. The Code will provide applicants with consistent and clear documentation of the requirements of the City. Public engagement will be conducted in the adoption of the Development Code. The appropriate CEQA documentation will be prepared.

Circulation Element Assistance

HBA will provide assistance and peer review in the preparation of the Circulation Element being prepared by GHD.

Environmental Impact Report

The City of Sutter Creek is proposing two projects that align the City with State standards, reduce the time and cost required to prepare housing applications, reduce the time to process housing applications, reduce the need and cost for preparing special traffic studies, and to streamline the City's development review process. The projects are: Update the General Plan/Environmental Impact Report Setting Sections to reflect the existing setting and to Prepare the City Wide Environmental Impact Report that will be used in the adoption of the SB2 Grant projects; Zoning Code Update, Development Code, and Circulation Element Update.

General Plan / Environmental Impact Report Settings

With the adoption of the City of Sutter Creek General Plan update the General Plan requires that future environmental documentation utilize the General Plan Setting Sections and that for each new environmental document, the General Plan Settings will be updated to reflect the project specific information. By updating the General Plan Setting Sections the effort required to prepare future environmental documents for housing projects will be streamlined to focus new information on project/site specific information. The Setting Sections will be updated to comply with current state guidance for General Plans and Environmental Documents. The updated setting sections will reduce the time required by the applicant and City to prepare and review the appropriate environmental documentation. The City Wide setting sections will provide applicants with current, consistent and clear documentation for use in their environmental documents. Public engagement will be conducted in the adoption of the General Plan Setting Sections

City Wide Environmental Impact Report

The updated City Wide Environmental Impact report will tier from existing certified environmental documents and supplement the environmental analysis as appropriate. With a certified City Wide EIR future housing projects will tier from this EIR focusing on environmental topics that have the potential to have new significant impacts. The City Wide EIR will provide applicants with current, consistent and clear documentation for use in their environmental documents. Public engagement will be conducted in the certification of the City Wide Environmental Impact Report.

MEETING DATE: MARCH 20, 2023

TO: THE HONORABLE MAYOR AND MEMEBERS OF THE CITY COUNCIL

FROM: ERIN VENTURA, PLANNING CONSULTANT

SUBJECT: SUTTER CREEK GENERAL PLAN 2022 ANNUAL PROGRESS

REPORT

RECOMMENDATION:

1. Adopt Resolution 22-23-* accepting and approving the General Plan 2022 Annual Progress Report

BACKGROUND:

Government Code Section 65400 mandates that certain cities and all 58 counties submit an annual report on the status of the General Plan and progress in its implementation to their legislative bodies, the Governor's Office of Planning and Research (OPR) and the Housing and Community Development (HCD) by April 1 of each year.

The Annual Progress Report (APR) provides local legislative bodies with information regarding the implementation of the General Plan for their city or county. APRs must be presented to the local legislative body for its review and acceptance, usually as a consent or discussion item on a regular meeting agenda. Therefore, the APR should provide enough information for decision makers to assess how the General Plan was implemented during the 12-month reporting period - either calendar year or fiscal year. More specifically, APRs explain how land use decisions relate to adopted goals, policies, and implementation measures of the General Plan. The APRs should provide enough information to identify necessary "course adjustments" or modifications to the General Plan and means to improve local implementation.

DISCUSSION:

Staff prepared the Sutter Creek General Plan APR for the year 2022. The Planning Commission reviewed the report at their March 13, 2023 meeting and recommends the City Council accept the General Plan 2022 Annual Report by resolution and authorize staff to submit the report to the State. The Sutter Creek General Plan APR 2022 is attached (Exhibit A).

The City Council is directed to focus on the following sections of the APR:

- Section 5 Housing Element Reporting (HCD required tables)
- Section 8 Priorities for Land Use Decision Making
- Section 10 2022 Planning Activities
- Appendix A Evaluation of General Plan Implementation Measures
- Appendix B Housing Element Program Evaluation
- Appendix D Additional Content

BUDGET IMPACT:

There is no budget impact directly. The APR recommends implementation of programs that may have budget impacts that will be addressed in each annual City budget.

ATTACHMENT A

RESOLUTION 22-23-*

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUTTER CREEK RECOMMENDING APPROVAL OF THE GENERAL PLAN 2022 ANNUAL PROGRESS REPORT

WHEREAS, Section 65300 et seq. of the California Government Code requires each county to adopt a comprehensive, long-term general plan for the physical development of each county; and

WHEREAS, on the 15th day of July 2019, the City Council adopted an update to the Sutter Creek General Plan by Resolution No. 19-20-01; and

WHEREAS, Government Code Section 65400 mandates that the City submit an annual report on the status of the General Plan and progress in its implementation to their legislative bodies, the Governor's Office of Planning and Research (OPR) and the Housing and Community Development (HCD) by April 1 of each year; and

WHEREAS, on March 13, 2023, the Sutter Creek Planning Commission conducted its public meeting and following the public comment and discussion, recommended the City Council approve and accept the Sutter Creek General Plan 2022 Annual Progress Report; and

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Sutter Creek hereby:

- 1. Approves and accepts the General Plan 2022 Annual Progress Report, as amended March 20, 2023:
- 2. Designates the Sutter Creek Planning Department, 18 Main Street, Sutter Creek, California, as the location and custodian of the documents and materials constituting the record of proceedings upon which this decision and resolution are based; and
- 3. Authorizes City staff to submit the General Plan 2022 Annual Progress Report to the Governor's Office of Planning and Research and the Housing and Community Development Department.

The foregoing resolution was duly passed and adopted at a regular meeting of the City Council of the City of Sutter Creek on the 20th day of March, 2023 by the following vote:

AYES: NOES: ABSTAIN: ABSENT:	THE CITY OF SUTTER CREEK
ATTEST:	Claire Gunselman, Mayor
Karen Darrow, City Clerk	

CITY OF SUTTER CREEK GENERAL PLAN AND HOUSING ELEMENT ANNUAL PROGRESS REPORT FOR 2022

City: City of Sutter Creek

Mailing Address: 18 Main Street

Sutter Creek, CA 95685

Governor's Office of Planning and Research

P.O. Box 3044 Sacramento, CA 95812-3044

1 Introduction

California law [Government Code Section 65400(a)(2)] requires jurisdictions to submit to their legislative bodies an annual report on the Status of the general plan and progress toward its implementation. The Planning Agency, who is responsible for investigating and recommending reasonable and practical means for implementing the general plan or elements of the general plan, submits the annual report to the Governor's Office of Planning and Research (OPR) and the California Department of Housing and Community Development (HCD) each year after it is endorsed or adopted by the legislative body, the City Council.

The intent of this law is to ensure that the jurisdiction's general plan directs all land use decisions and that it remains an effective guide for current and future development. The annual report process gives each jurisdiction the opportunity to review Plan policies, standards and guidelines with an objective, global view. The Sutter Creek General Plan includes the mandatory elements, Land Use, Circulation, Housing, Conservation and Open Space, Noise, and Safety, and the following four additional elements: Parks and Recreation, Public Services and Facilities, Historic, and Environmental Justice.

The Planning Commission and City Council oversee the effectiveness and relevancy of the General Plan, and its implementation activities, through this annual review.

Appendix A Evaluation of General Plan Implementation Measures

Appendix B Housing Element Annual Report
Appendix C Housing Element Reporting Tables

Appendix D Additional Content

Appendix E Resolution of Acceptance

3 Acceptance

The Planning Commission reviewed the General Plan Annual Progress Report 2022 (APR) on March 13, 2023 and recommended the City Council accept the 2022 APR. The City Council received the Planning Commission recommendation on the General Plan APR 2022 and accepted the report on March 22, 2023. The City Council Resolution is provided in Appendix E.

4 Measures Associated with General Plan Implementation

With the exception of the Housing Element, the City updated its General Plan in July 2019, and this annual report reflects the revised goals, policies and implementation measures of the 2019 General Plan update.

March 20, 2023 Page 2 of 58

The General Plan implementation measures status evaluation is provided in Appendix A and B. In summary, 71 measures have been implemented, 27 measures are partially implemented, and 35 measures have not been implemented. Of these totals, the Housing Element has 19 measures implemented, of which 1 is complete, 4 measures partially implemented, and 6 measures that have not been implemented. Since the General Plan was updated in 2019, no course adjustments have been recommended at this time as the measures will be implemented at a later date as need or funding arises. This evaluation (Appendix A and B) is included in the General Plan Appendix A, Future Considerations. The Joint Housing Element Update was initiated in 2021 and will be completed in 2022. HCD considers the City's current Housing Element out of compliance as the update deadline and grace period for the. 6th cycle has passed.

5 Housing Element Reporting

Housing Element Reporting tables are attached in Appendix C.

6 Compliance with California's General Plan Guidelines

The Sutter Creek General Plan includes the seven required elements: Land Use, Circulation, Housing, Conservation and Open Space, Noise, and Safety. The General Plan has three additional elements: Public Services and Facilities Element, Historic Element, Parks and Recreation Element, and Environmental Justice Element. The City has reviewed the implementation measures in each of the elements to gauge the progress made in 2022 towards implementing the General Plan, provided in Appendix A and B.

7 Date of the Last General Plan Update

A General Plan Update was adopted on July 15, 2019. Each of the elements, with the exception of the Housing Element, was updated and an Environmental Justice Element was added. The Land Use Diagram was digitized and updated to achieve consistency with the zoning map, reflect the correct usage of the parcel, and achieve planning consistency. The update included growth projections, and tribal consultation occurred under AB 52 and AB 18. The Housing Element was adopted on June 1, 2015 and not modified with the July 2019 General Plan update and will be updated in 2023 through a joint process with the County. Starting in 2020, an update to the Circulation Element was initiated. An updated Circulation Element was prepared in 2021 with adoption anticipated in 2023 when the environmental document is completed. Additionally, Amador County prepared an updated Local Hazard Mitigation Plan in 2020, which the City adopted by reference into the Safety Element on February 16, 2021.

8 Priorities for Land Use Decision Making

The City of Sutter Creek Design Standards and Historic Districts boundaries were adopted on January 19, 2016. The purpose of the Design Standards is to provide certainty and consistency for applicants wishing to make changes to their structure or lot. The Design Standards provide applicants with a streamlined process by enabling staff to review projects with defined standards.

The City staff prepared a draft update of the Sign Ordinance as directed by the Planning Commission. The Planning Commission conducted public meetings on the Sign Ordinance in the fourth quarter of 2013. The Planning Commission forwarded a recommendation on the updated Sign Ordinance to the City Council in the last half of 2014. A two-member committee was assigned, by the City Council in 2015, to complete the draft document. The draft will be presented for review and approval by the City Council at a future date.

March 20, 2023 Page 3 of 58

9 Goals, Policies, and Objectives Modified in 2021

The Sutter Creek General Plan goals, objectives, policies and implementation measures were not modified in 2022. An update to the Circulation Element was begun in 2020, with adoption anticipated in 2023 following the completion of the appropriate CEQA documentation. A joint workshop of the Planning Commission and City Council on the Final Draft Circulation Element update was held on June 21, 2021.

10 2022 Planning Activities

Planning Activities

- City staff prepared the annual progress report for 2021, which was approved by the City Council in March of 2022.
- One (1) residential construction building permit, an attached accessory dwelling unit was issued in 2022. No manufactured residential building permits, multi-family or senior apartment complex building permits, industrial construction building permits, or new commercial construction building permits were issued in 2022.
- Seven (7) sign permits, one (1) site plan permit, two (2) conditional use permits, three (3) temporary use permit, six (6) home occupation permits, and one (1) variances were processed in 2022.
- Two (2) vesting tentative subdivision map applications were received in 2019 (Broadmeadows Estates and Panner Creek Estates) that required CEQA documentation that was initiated in 2020, but not completed by the applicant. It is anticipated those applications will go forward in 2023.
- One (1) vesting tentative parcel map, General Plan Amendment, and Zoning amendment application that was received in 2020 (175 Sutter Hill Road, Campbell) for one parcel designated Commercial was approved in 2021. A CEQA IS/ND was adopted in 2021 and the land use on a portion of the property changed to RE Residential Estate. The Final Map has yet to be submitted.
- One (1) Specific Plan project was discussed with City staff. This Specific Plan would replace the Gold Rush Ranch Specific Plan, but a complete application was not submitted in 2022. This was an ongoing conversation from 2021.
- Two planning grants that were received in 2020 continued to be implemented in 2022. The SB 2 Planning Grant was awarded in 2020 to update the Zoning Code and Circulation Element and create Development Standards. The HCD LEAP grant was awarded in 2020 to address completion of an EIR for the work completed under the SB 2 Planning Grant, which would help streamline development in the City.
- City activities that implement the General Plan and are referenced later in this APR include:
 - The City purchased the Knight Foundry in 2017. The Knight Foundry Alliance continues renovation/restoration of the building while conducting monthly tours for the public. The Knight Foundry Alliance is a non-profit organization whose mission is to "protect, preserve, and restore the Knight Foundry's historic structures, features and operations in order to convey its local and regional importance as a unique 19th century industrial facility."

General Plan Amendments

- The City updated the General Plan in 2019. No additional changes occurred in 2022.
- The City of Sutter Creek prepared the Draft General Plan Circulation Element. The Circulation Element will be completed in 2023, along with an update of the supporting data in the General Plan Volume III Setting.

March 20, 2023 Page 4 of 58

City of Sutter Creek 2022 Calendar Year General Plan Annual Progress Report

Major Development Applications

- Progress was, previously made on an application for an annexation, variance, pre-zone, General Plan land use designation amendment, and vesting tentative map for a 10-lot subdivision (Broadmeadows Estates) and an application for a 38-lot subdivision vesting tentative map (Panner Creek Estates), both initially received in 2019. An administrative Draft Mitigated Negative Declaration was prepared for both applications as they are both segments of a larger subdivision development and located adjacent to each other. The applications and CEQA document were reviewed by the City and it was determined that the applications and environmental analysis contained deficiencies in regard to stormwater management and circulation. Meetings were held with the applicant to discuss the required changes and submittals. The applicant did resubmit the materials in 2021, but outstanding issues remained, and additional submittals are anticipated in 2023.
- Discussion between staff and the landowner regarding a potential new Specific Plan for the Gold Rush Ranch area occurred in 2021; however, no application was submitted or preliminary details and drawings provided in 2021. The application remains incomplete and staff anticipates an application is likely to be re-submitted in 2023.

March 20, 2023 Page 5 of 58

APPENDIX A Evaluation of General Plan Implementation Measures

Land Use Element

LU-1.1.1.1:	The City shall evaluate Congrel Dlan consistency when considering project
LU-1.1.1.1	The City shall evaluate General Plan consistency when considering project applications and, if the project is not consistent, advise applicants that the project
	may be denied if a General Plan amendment is not processed and approved first
	or concurrently.
Status:	Implemented and Ongoing. The City has established a consistency checklist in
Status.	2019 to be used for analyzing project applications.
Recommended	2017 to be used for until 2mg project applications.
Course Adjustment:	None. Continue to analyze on a project-by-project basis.
LU-1.1.3.1:	The City shall advise the County of Amador regarding General Plan Policy LU-
	1.1.3 when changes are proposed outside of the City's planning area north of
	State Route 104/Ridge Road.
Status:	Not Implemented and Ongoing. No proposals to this effect have been processed.
Recommended	
Course Adjustment:	None.
LU-1.1.4.1:	The City shall advise the County of Amador regarding General Plan Policy LU-
	1.1.4 when urban development is proposed within the City's planning area.
Status:	Not Implemented and Ongoing. No proposals to this effect have been processed.
Recommended	
Course Adjustment:	None.
LU-1.1.5.1:	Prior to the annexation of lands to the City, an applicant shall submit a plan
	demonstrating the feasibility of providing services and facilities to the area
	proposed for annexation, that intended development will not have a negative
	economic impact on the City or its citizens, that the development will not have
	significant environmental impacts after mitigation unless the City makes
	findings of overriding considerations, and that the project will conform to the
_	goals, policies, and standards of the General Plan
Status:	Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to analyze on a project-by-project basis.
LU-2.1.1.1:	The City Planner shall provide the state required Annual Progress Report
	(APR) to the Planning Commission and City Council on the status of the
	General Plan and the progress in carrying out its objectives, policies,
	implementation measures, and mitigation monitoring program. This APR
	should precede an annual State of the City budget report to ensure funding is budgeted appropriately each year to implement and maintain the General Plan.
	The City Planner shall annually review the General Plan's land use data and assumptions concerning growth and development as well as the General Plan's
	goals, objectives, policies, standards, and programs, and update as needed.
Status:	Implemented and Ongoing. This 2022 APR implements this measure for year
Status.	2022.
Recommended	2022.
Course Adjustment:	None.
Course Mujusument.	110110.

March 20, 2023 Page 6 of 58

777.04.04	
LU-2.1.2.1:	Table 4-3, "Building Intensities and Population Densities", generally shows the new zones that are needed and generally those that need amendment. The
	Building Intensities Population Densities shall be updated appropriately when
Status:	the General Plan is updated. Implemented. The Table was updated with the 2019 General Plan Update.
Status.	Updates may occur in the future as amendments are adopted.
Recommended	
Course Adjustment:	None.
LU-2.1.2.2:	The City shall revise the zoning code when there is an amendment to the
	General Plan to ensure that "uses by right", those uses that do not require local
	government review so long as they meet district standards and requirements, are consistent with the General Plan land use designation.
Status:	Partially Implemented. The City is in the process of updating the Zoning Code
	(2022).
Recommended	
Course Adjustment:	None.
LU-2.1.3.1:	The City shall review its subdivision ordinance as needed to ensure consistency
	with the General Plan. The City shall amend the subdivision ordinance as
Status:	appropriate to ensure consistency with the General Plan. Partially Implemented and Ongoing. The Zoning Ordinance is in the process of
Status.	being updated (2022).
Recommended	5 - 1- 8 - 1- 1- 1- 1- 1- 1- 1- 1- 1- 1- 1- 1- 1
Course Adjustment:	None.
LU-2.1.4.1:	Existing land use data and projections that were collected in developing this
	Land Use Element should be put on a computer spreadsheet and maintained as
	building permits, planning permits, and new developments are approved and/or
	constructed. The building inspector and planning department shall work together to ensure that the land use database is maintained. This database is
	important to the long-term maintenance of the General Plan and the evaluation
	of individual projects pursuant to Policies LU-2.1.1 and LU-2.1.2.
Status:	Implemented and ongoing. The Planning Staff began assembling land use data in
	a central location in 2012. As each new project is processed the database is
D 1.1	updated. The City implemented portions of the GIS system and database in 2020.
Recommended	None. Continue to update the land use data and projections on a project-by- project basis. Update and maintain the citywide GIS system to record land use
Course Adjustment:	data.
LU-2.1.5.1:	The City's Improvement Standards is primarily an engineering document and is
	not formatted to overlap with the planning process. The document will need to
	be amended significantly to accept General Plan guidelines and standards and to
	ensure its consistency with the General Plan. The City shall maintain the
	adopted Design Standards separately from the Improvement Standards. The
	results of this effort provide the development community with written guidelines and standards regarding how to design projects for the City of Sutter
	Creek.
Status:	Partially Implemented. The City's Improvement Standards (May 2018) and the
	Design Standards (2016) were included in the General Plan Update Volume II.
	The Improvement Standards will be updated and Development Standards
D 1 1	established concurrently with the Zoning Code update (2023).
Recommended	None
Course Adjustment:	None.

March 20, 2023 Page 7 of 58

LU-2.1.6.1:	
	Annual Progress Report to identify if an adjustment is needed. If needed, the
	City shall adjust the General Plan growth projection based on U.S Census population figures, updated California Department of Finance estimates and
	projections, General Plan amendments, and anticipated building permits. The
	City shall update the growth projection and build-out projection every five
	years during the Housing Element update, unless a different schedule applies
	pursuant to state law.
Status:	
	updated with the General Plan Update (2019), the APR identifies no changes in
D	2022.
Recommended	None.
Course Adjustment:	
LU-3.1.2.1:	The City should implement facilities plans to finance the provision of municipal facilities and services within industrial parks. The City should establish a
	research and development zone that can be applied to appropriate industrial
	areas.
Status:	Not Implemented.
Recommended	
Course Adjustment:	None.
LU-3.1.3.1:	
	DTC area. Factors to consider include: demand for additional retail space; types
	of uses appropriate for the downtown area; traffic circulation and parking; and
	maintaining viability of the existing DTC area.
Status:	Not Implemented.
Recommended	
Course Adjustment:	None.

Conservation and Open Space Element

COS-1.2.1.1:	Adopt and maintain the City of Sutter Creek Development Standards to
	maintain and enhance the City's natural resources.
Status:	Not Implemented. Development Standards are in the process of being developed.
	Volume II of the General Plan includes Conservation and Best Management
	Practices and Oak Woodland and Rare Plant Management Plan Requirements.
	As well as an Energy Action Plan (2015)
Recommended	
Course Adjustment:	None.
COS-1.3.2.1:	The preferred methods of preserving open space are through the use of a
	conservation easement or dedication to a conservation entity.
Status:	Not Implemented.
Recommended	
Course Adjustment:	None.
COS-1.3.3.1:	The City shall develop and adopt standards for construction on unforested
	slopes in excess of 30% that will be integrated into and enforced through the
	Sutter Creek Development Standards. Until such standards are adopted,
	conditions of approval for new construction on unforested slopes in excess of
	30 percent shall include the following:
	Grading on a single lot is no more than 25 percent of the gross lot area;

March 20, 2023 Page 8 of 58

	Coverage by impervious surfaces is limited to 20 percent of the gross
	lot area;
	Stormwater discharge rates shall not exceed pre-construction
	stormwater discharge rates; and
	The quality of stormwater discharges shall be the same or better than the quality of pre-construction stormwater discharges.
	the quanty of pre-construction stormwater discharges.
Status:	Partially Implemented. The City reviews projects on a case-by-case basis in
Status	compliance with Project Review and Subdivision Review procedures. Projects
	are reviewed for erosion control, water erosion, and secondary impacts on
	aesthetics. Projects are required to comply with current building codes and the
	State of California surface Water Pollution Prevention Plan requirements.
	Development Standards were in the process of being prepared.
Recommended	
Course Adjustment:	None.
COS-1.3.5.1:	The City shall update the Design Standards to define design requirements or
	limitations near scenic ridgelines that ensure projects complement the existing natural landscape and skyline.
Status:	Not Implemented.
Recommended	Two implemented.
Course Adjustment:	None.
COS-1.4.1.1:	
	Conservation Best Management Practices, should be considered in the master
	drainage plan and design standards. The master drainage plan and design
	standards should address cumulatively significant organic and inorganic
	pollutants.
Status:	Not Implemented.
Recommended	To be included in the new Development Standards decomment (2022)
Course Adjustment: COS-1.4.2.1:	To be included in the new Development Standards document (2023). The City shall actively participate in the review of upstream diversions of water
COS-1.4.2.1.	from Sutter Creek and its tributaries located outside of the City limits to prevent
	negative impacts on the creek.
Status:	Implemented. No diversions proposed in 2022.
Recommended	
Course Adjustment:	None.
COS-1.5.2.1:	New development projects shall achieve at least 30% use of native landscape
	materials such as those on the California Native Plant Society's Calscape list of
G	plants native to Sutter Creek.
Status:	Implemented. Projects are reviewed on a case-by-case basis and applicants are
Recommended	directed to the Calscape website for plant listings.
Course Adjustment:	None.
COS-1.5.3.1:	New development projects shall use recycled water where available and to the
	maximum extent feasible.
Status:	Implemented. Projects are reviewed on a case-by-case basis; however, recycled
	water is typically not available.
Recommended	
Course Adjustment:	None.
COS-1.5.3.2:	The City shall work with the Amador Water Agency to encourage the use of
1	recycled water.

March 20, 2023 Page 9 of 58

City of Sutter Creek 2022 Calendar Year General Plan Annual Progress Report

Status:	Not Implemented.
Recommended	
Course Adjustment:	None.
COS-1.7.1.1:	The City shall apply the "M-Mining" land use designation to lands on which uses must be regulated to avoid conflict with mineral exploration or extraction activities and/or lands that provide access to valuable mineral reserves (see Figure 4-1 and Table 4-1 in the Land Use Element). Land uses incompatible with mining generally require a high public or private investment in structures, land improvements, and landscaping and would prevent mining because of the higher economic value of the land and its improvements. Examples of such uses include:
	 High density residential Low density residential with high unit value Public facilities Intensive industrial Commercial
	Compatible land uses with mining generally require low public or private investment in structures, land improvements, and landscaping and allow mining because of the low economic value of the land and its improvements. Examples of such uses include:
	 Very low density residential (For example: e.g. 1 unit per 10 acres) Recreation (public/commercial) Agricultural Silvicultural Grazing Open space
Status:	Implemented. There are currently no lands designated M-Mining in the City limit. Lands designated M-Mining are located in the Planning Area and Sphere of Influence at the north end of the City.
Recommended	
Course Adjustment:	None.
COS-1.7.2.1: Status:	The City shall actively participate in the review and oversight of mining activities in or near the City's planning area in accordance with the provisions of CEQA and the Surface Mining Reclamation Act in order to ensure public health and safety and that the City's environment is not degraded. Implemented.
Recommended	
Course Adjustment:	None.
COS-1.8.1.1: Status:	Develop, update, and implement as appropriate, City-wide grading standards to be adopted within the City's Development Standards and utilizing the Gold Rush Ranch Specific Plan grading standards as a model. Not Implemented. Development Standards, including grading standards are in the process of being prepared.
Recommended	
Course Adjustment:	None.

March 20, 2023 Page 10 of 58

COS-1.8.1.2:	Until City-wide grading standards are adopted, the following standards shall be
000 11011121	used:
	a. Roadways should be aligned along natural ridges or valleys, be curvilinear, and follow existing contours through implementation of landform grading standards;
	b. Grading should protect the existing skyline, oak trees, prominent hillsides, riparian corridors, and other topographically sensitive features and shall emulate the natural topography, which is the shape, height, and depth of the land surface using landform grading standards, where feasible;
	c. Grading for individual detached single-family home sites should be restricted to that necessary to develop the driveway and individual home site. Proposed grading should be subject to grading plan review at the time of individual lot development; and
	d. Oak trees should be retained unless it is demonstrated to be unfeasible or unreasonable.
Status:	Implemented. Projects are reviewed on a case-by-case basis.
Recommended	
Course Adjustment:	None.
COS-1.8.2.1:	The City Engineer should develop the erosion control guidelines that will more
	directly control wind and water erosion and the secondary impacts upon
	aesthetics, water quality, etc. The controls would be more specific than those that are presently contained in the CBC. The City of Sutter Creek Conservation
	Best Management Practices in Volume II contains an extensive list of detailed
~	erosion control measures that could be used in said guidelines.
Status:	Not Implemented. Development Standards, including erosion control guidelines
Recommended	are in the process of being prepared. None Guidelines will need to be prepared, with the use of PMPs in Volume II.
Course Adjustment:	None. Guidelines will need to be prepared, with the use of BMPs in Volume II in the interim.
COS-1.9.6.1:	Until the tree ordinance is updated to address oak woodland management,
005 1151011	Project applicants shall submit an Oak Woodland Management Plan based on
	the requirements described in Volume II, if the project affects oak woodland
	stands that have greater than 10 percent canopy coverage or that display historic
	canopy coverage greater than 10 percent and if the project affects 10 contiguous
	acres of oak woodland stands. The Oak Woodland Management Plan shall be prepared by independent professionals under the direction of the City and
	address the following aspects of managing oak woodlands:
	A description of oak woodland habitats proposed for removal and
	preservation; 2. An inventory of trees proposed for removel and preservation in
	2. An inventory of trees proposed for removal and preservation in development areas; and
	3. Replanting locally-native trees, as needed.
Status:	Implemented. Projects are reviewed on a case-by-case basis per the Oak Woodland Management Plan requirements.

March 20, 2023 Page 11 of 58

City of Sutter Creek 2022 Calendar Year General Plan Annual Progress Report

Recommended	
Course Adjustment:	None. Updates to the Tree Ordinance are still needed.
COS-1.9.6.2:	New developments affecting 10 contiguous acres of oak woodland stands that
COS-1.7.0.2.	exhibit a greater than 10 percent canopy cover or that may have historically
	supported greater than 10 percent canopy cover, shall preserve oak woodland
	habitat for each acre removed due to the development project at a ratio provided
	in the applicable Oak Woodland Management Plan or until such time that
	preservation ratios are established in the tree ordinance.
Status:	Implemented. Projects are reviewed on a case-by-case basis per the Oak
	Woodland Management Plan requirements.
Recommended	
Course Adjustment:	None. Updates to the Tree Ordinance are still needed.
COS-1.9.6.3:	Update, maintain, and enforce the City tree ordinance, including the addition of
	standards applicable to oak woodlands, oak woodland management plans and
	their contents, and oak woodland mitigation.
Status:	Partially Implemented. Projects are reviewed on a case-by-case basis per the Oak
	Woodland Management Plan requirements.
Recommended	
Course Adjustment:	None. Updates to the Tree Ordinance are still needed.
COS-1.10.3.1:	The City shall develop incentives for buildings exceeding Title 24 Energy
	Efficiency Standards and new development projects that meet 70% of their energy needs from renewable sources.
Status:	Not Implemented.
Recommended	Not implemented.
Course Adjustment:	None. Incentives need to be developed.
COS-1.10.4.1:	Update the Design Standards and/or Municipal Code to include the use of shade
	trees, structures, cool pavement and cool roofs in new construction of
	structures, parking lots, and streets.
Status:	Not Implemented. The Code is currently in the process of being updated. No
	changes to the Design Standards were made in 2022.
Recommended	
Course Adjustment:	None.
COS-1.10.5.1:	Maintain and continue to update renewable-energy tools and information on the
a	City's website.
	Not Implemented.
Recommended Course Adjustments	None
Course Adjustment:	None. The City shall focus on the following tasks to reduce emissions from the City's
COS-1.11.1.1:	operations:
	operations.
	Reducing usage of city owned vehicles and replacing those that are not
	fuel efficient, and change procurement policy to specify high fuel
	efficiency for each vehicle class.
	Comprehensive energy efficiency retrofit of existing municipal
	buildings and facilities.
	Establish a purchasing policy requiring new electrical equipment to be
	Energy Star, or similarly, rated.
	Evaluate the potential to utilize solar renewable-energy systems to
	operate municipal facilities.

March 20, 2023 Page 12 of 58

	 Include energy-efficiency provisions in City-released RFPs related to wastewater infrastructure. Switch existing traffic signals and street lights from incandescent bulbs to Light Emitting Diodes (LEDs). Install water efficient landscaping in areas managed by the City and establish municipal water consumption reduction goals. Increase office recycling, e.g. paper, cardboard, cans, toner cartridges. Participate in PG&E's Phase II of Green Communities: Community-Wide Inventory. Evaluate the potential to implement methane capture system to utilize digester gas for electricity and heating at the wastewater treatment plant, as well as solar energy systems.
Status:	Partially Implemented.
Recommended	
Course Adjustment:	None. Continue to implement.
COS-1.11.1.2:	The City shall update, as appropriate, the City's Greenhouse Gas Inventory to
	track its progress in reducing Greenhouse Gas emission from the 2005 baseline
C4 - 4	inventory.
Status:	Not Implemented. No update was prepared in 2022.
Recommended	None
Course Adjustment: COS-1.11.1.3:	None.
COS-1.11.1.3:	The City shall update, as appropriate, the Goals, Policies, and Implementation Measures in the General Plan Land Use Element, Conservation Element,
	Circulation Element, Public Services and Facilities Element, and Parks and
	Recreation Element that reduce Greenhouse Gas emissions.
Status:	Implemented. The 2019 General Plan Update addressed greenhouse gas
Status.	emissions.
Recommended	
Course Adjustment:	None.
COS-1.11.1.4:	The City shall evaluate the feasibility of offering incentives for or requiring
	participation in the voluntary CALGreen water-efficiency measures.
Status:	Not Implemented.
Recommended	
Course Adjustment:	None.

Circulation Element

C-1.1.1.1:	As property is developed between Ridge Road and Shake Ridge Road, these
	development projects shall be required to dedicate and construct a collector
	road that will ultimately connect Ridge Road to Shake Ridge Road to the east of
	the City.
Status:	Implemented and Ongoing. Projects are reviewed on a case-by-case basis.
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.2.1.1:	A number of intersections in the Sutter Creek planning area have met one or
	more of the standard warrants for signals. Each of these intersections should be
	further evaluated as time progresses to determine if traffic signals should be
	installed. Installation of the signals should be programmed as long-term
	improvements only when and if fully justified.

March 20, 2023 Page 13 of 58

Status:	Implemented and Ongoing. Intersections are monitored regularly, and improvements added to the annual CIP, as needed.
Recommended	improvements added to the aimuai Cir, as needed.
Course Adjustment:	None. Continue to implement.
C-1.3.2.1:	Improve Gopher Flat Road and Main Street to city limits as funding is
0 1002111	available. The street should be improved with curb, gutter, and sidewalk and be
	widened to provide two 12-foot travel lanes, bike lanes, and a center two-way,
	left turn lane wherever right-of-way is not constrained by existing buildings or
	other factors.
Status:	Partially Implemented. The improvements along Gopher Flat/Shake Ridge
	Road were a condition of approval for the Powder House Estates project.
	However, these improvements will not extend all the way to Main Street. Right
	of way and funding constraints prevent the completion of this project between
	Powder House Estates and Cole St. The City conditioned Powder House Estates
	to provide two walking trails through the project and across open space to
	connect the Gopher Flat Road corridor to Randolph St. and Cole St. The Powder House Estates Project is no longer an active project. This will be
	considered with future project review in this area.
	Gopher Flat Road has been improved with curb, gutter and sidewalk from
	Meadow Crest to just west of Manor Ct. Existing right of way on Gopher Flat
	Rd. from Meadow Crest eastward to Golden Hills Dr. is being considered for a
	sidewalk in order to meet the spirit of this policy and implementation measure.
Recommended	
Course Adjustment:	None. Continue to implement in the future.
C-1.3.2.2:	Provide a walkway for elementary school children on Spanish Street. Improve
	with curb, gutter, and sidewalks where not now provided between the school entrance and Main Street.
Status:	Partially Implemented. Improvements have been made up to Mahoney Mill
Status.	Road, but do not extend to Main Street.
Recommended	
Course Adjustment:	None. Continue to implement as funding is available.
C-1.3.2.3:	Evaluate the appropriateness and feasibility of the designation of the following
	as one-way streets: Hayden Alley, Keyes Street, Randolph Street and Boston
	Alley. Limiting parking to one side of Randolph Street may eliminate the need
C4 - 4	for the street to become one way.
Status:	Not Implemented. These suggestions have been vetted several times with the citizens and interest holders. Thus far, size constraints with delivery trucks and
	school buses have prevented these suggestions from being implemented.
Recommended	sensor suses have prevented these suggestions from being implemented.
Course Adjustment:	None. Continue to implement in the future.
C-1.3.2.4:	Widen as appropriate and feasible Sutter Hill Road and Eureka-Sutter Hill Road
	to provide 12-foot travel lanes and five-foot paved shoulders.
Status:	Not Implemented.
Recommended	Name Continue to implement in the Continue of
Course Adjustment:	None. Continue to implement in the future.
C-1.3.2.5:	Improve the North Amelia Street and Spanish Street intersection. Amelia Street is misaligned through its intersection with Spanish Street. Realignment will
	require acquisition of right-of-way.
Status:	Not Implemented. North Amelia Street has not been realigned.
i Status.	r

March 20, 2023 Page 14 of 58

Recommended	
Course Adjustment:	None. Continue to implement in the future.
C-1.3.3.1:	The City shall review and update the City of Sutter Creek Capital Improvement
	Program and Funding Strategy.
Status:	Implemented and Ongoing. The CIP is reviewed/updated annually
Recommended	r · · · · · · · · · · · · · · · · · · ·
Course Adjustment:	None.
C-1.4.1.1:	Improve radius of curb returns as appropriate and feasible. Most intersections of
Status:	side streets with Main Street in Sutter Creek should be improved by removing a 10-foot square section of the ten foot wide sidewalks on each side of an intersection and replacing the sidewalk with a 10-foot radius curb return and handicapped ramp. Partially Implemented.
Recommended	• •
Course Adjustment:	None.
Č-1.4.1.2:	Construct turning and acceleration/deceleration lanes as appropriate and feasible. At intersections where turning movements from the minor street are significant (over 100 vehicles per hour during the peak hours of the day), the Level of Service (LOS) can be improved by adding separate turn lanes for the various turning and through movements. This measure is not practical in the Main Street Historic District. Traffic on the state highways can be expedited with turn pockets at intersections, a continuous median turning lane for midblock turning movements, and acceleration and deceleration lanes at intersections.
Status:	Implemented and Ongoing.
Recommended	implemented and Ongoing.
Course Adjustment:	None.
C-1.4.1.3: Status:	Improve sight distance at intersections as appropriate and feasible. At locations where accident records show problems due to poor visibility, corrective measures should be taken. These measures might involve removal or lowering of plantings or fences and, in some cases, the removal of low tree branches where buildings cannot be moved; stop signs can help in these situations. Implemented and Ongoing. Problem intersections have been remedied with the suggested solutions. The City Council has taken measures to eliminate hazardous site conditions through parking restrictions in some locations.
Recommended	
Course Adjustment:	None. Continue to regularly review and implement remedies as appropriate.
C-1.5.1.1:	Adopted Plan Lines shall be incorporated into development plans to define specific requirements for dedicating the right-of-way for street purposes and to implement Circulation Element policies of the General Plan.
Status:	Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.6.1.1: Status:	Provide bus service to and from special events from local parking facilities. Charter bus service from the San Francisco Bay Area and Central Valley locations should be promoted for special events that are expected to draw large crowds. Partially Implemented. Covid-19 has discouraged large events from occurring.
Recommended	1 arriany implemented. Covid-19 has discouraged large events from occurring.
Course Adjustment:	None. Continue to implement City-wide.
Course Majustinent.	Tione. Continue to implement City-wide.

March 20, 2023 Page 15 of 58

~	
C-1.6.1.2:	
Status:	
	the demands of the City's population. Amador Regional Transportation System
	provides bus service one-quarter mile from designated routes, effectively
	providing access to public transportation for all of the City's residents
Recommended	
Course Adjustment:	•
C-1.6.1.3:	Bus shelters and benches should be provided where demand warrants and their
	provision included as part of development approval requirements. New
	development projects should provide safe locations off the traveled way for
	busses to stop without impeding the flow of traffic.
Status:	Implemented and Ongoing. Bus shelters and benches have been provided with
	new commercial development.
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.6.1.4:	Public transit facilities (bus stops, etc.) should be located near or incorporated
	into commercial and industrial projects employing more than 10 people
	provided there is not an adequate existing bus stop within 1/4 mile.
Status:	Implemented and Ongoing. Bus shelters and benches have been provided with
	new commercial development.
Recommended	
Course Adjustment:	
C-1.6.2.1:	The City shall work with ACTC and ARTS to review and comment upon new
	projects that may generate or attract, individually or cumulatively, large or
	moderate volumes of traffic.
Status:	Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.7.1.1:	The City shall encourage retail stores to provide delivery service and telephone
	and online shopping services. Some retail stores are instituting online ordering
Status:	and delivery of goods to homes and business. This trend should be encouraged.
Status.	Implemented and Ongoing. The City does not promote home deliveries; however, it is common for businesses to have mail order and web businesses.
	The City allows UPS and FedEx to park anywhere reasonable to facilitate
	deliveries.
Recommended	don ones.
Course Adjustment:	None. Continue to implement.
C-1.7.2.1:	Implement the (pd) land use designation explained on Table LU-2 in the Land
~ III.	Use Element, which allows planned developments to include neighborhood
	commercial uses.
Status:	Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.8.1.1:	The City encourages commercial development projects and employers to
	provide reserved parking spaces and vans for use by employees who carpool.
Status:	Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.8.1.2:	The City shall work with the Amador County Transportation Commission to
	encourage use of carpool parking at the Sutter Hill Transit Center.

March 20, 2023 Page 16 of 58

Status:	Implemented and Ongoing.
Recommended	implemented and ongoing.
Course Adjustment:	None. Continue to implement.
C-1.11.1.1:	As traffic increases on some City streets, parking should be curtailed where
	parked vehicles encroach into the traveled way.
Status:	Partially Implemented. Parking along Church Street at the Park was modified to
	curtail encroachment on the street. Parking on the street is an effective traffic-
	calming device. In residential neighborhoods, safety is more important than LOS,
	and thus, street parking has not been discouraged. The City Council has taken
	measures to eliminate hazardous site conditions through parking restrictions in
	some locations
Recommended	
Course Adjustment:	None. Continue to implement.
C-1.11.1.2:	On-street parking is important to the business community and should be
	reserved for customers. Members of the business community should use the off-
_	street lots.
Status:	Implemented. A parking plan has been developed and was adopted and
D 1.1	implemented in 2019
Recommended	None Continue to implement
Course Adjustment: C-1.11.1.3:	None. Continue to implement.
C-1.11.1.3:	Provide adequate parking for new and old development. Off-street parking should be required whenever new commercial buildings are constructed. Where
	downtown businesses cannot provide adequate off-street parking, in-lieu fees
	shall be charged. These fees should go toward purchase of land and
	construction of parking facilities located within the downtown commercial
	district or other appropriate locations. Due to the heavy tourist demand for
	parking on weekends, additional public off-street parking facilities should be
	added as land becomes available within walking distance of the historic
	commercial area. Available off-street spaces should be retained, and additional
	space developed as property becomes available. Parking structures can provide
	additional parking where land values are high and available land area is limited.
Status:	Partially Implemented. New development projects are reviewed using both the
	General Plan and California Environmental Quality Act (CEQA), both of which
	address parking. City ordinance requires payment of in-lieu fees where parking
_	cannot be provided.
Recommended	None. Continue to implement. The City should evaluate and update its parking
Course Adjustment:	fees regularly to assure adequate funds are collected to construct new parking
0.1.11.1.4	spaces in-lieu of on-site parking spaces.
C-1.11.1.4:	Where designated, post standard "No Parking" signs on streets and alleys in
Status:	appropriate locations to ensure compliance and enforcement. Implemented. Several of the narrower streets have no parking signs posted where
Status:	parking is not feasible.
Recommended	parking is not reasone.
Course Adjustment:	None. Continue to implement.
Course Hajustinellt.	1 toller continue to implement.

Public Services and Facilities Element

PS-1.1.2.1:	Development shall pay its fair share for services through Community Service
	District fees applied to property taxes following annexation into the City
	Community Services District.

March 20, 2023 Page 17 of 58

Status:	Not Implemented. The City Community Services District needs to be established and is proposed within the Development Standards under preparation.
Recommended	and is proposed within the Development standards under preparation.
Course Adjustment:	None. Establish the CSD and continue to implement.
PS-1.2.4.1:	The City shall oversee inclusion of AWA's Urban Water Management Plan into
15 1,2,1,1,1	the City's Improvement Standards.
Status:	Implemented. AWA has adopted water system design standards. The City
	requires compliance with the AWA standards for building permits and project
	review
Recommended	
Course Adjustment:	None. Continue to implement.
PS-1.3.5.1:	The City shall implement Implementation Measure C-1.3.3.1 ensuring the City
	of Sutter Creek Capital Improvement Program and Funding Strategy addresses
	sewage collection and treatment as necessary.
Status:	Implemented and Ongoing. The CIP is reviewed/updated annually.
Recommended	
Course Adjustment:	None. Continue to implement.
PS-1.4.5.1:	Storm water mitigation for streets and parking areas shall focus on four areas:
	1) ensuring stormwater discharge rates do not exceed pre-construction
	stormwater discharge rates; 2) promoting permeable landscapes to reduce
	stormwater surface flows; 3) preventing runoff contamination; and 4) allowing
	natural treatment of runoff in detention ponds or grass swales.
Status:	Implemented and Ongoing. Projects are reviewed on a case-by-case basis.
Recommended	
Course Adjustment:	None. Continue to implement.
PS-1.4.6.1:	The next large development to be considered after adoption of the General Plan
	Update that has the potential to add substantial storm runoff to Sutter Creek
	shall be required to provide for the master drainage plan (utilize CEQA
	mandatory findings of cumulative effect) and be partially reimbursed by
Status:	subsequent developments. Implemented and Ongoing. New major projects fully mitigate drainage.
Recommended	Implemented and Origonig. New major projects runy mitigate dramage.
Course Adjustment:	None. Continue to implement.
PS-1.5.1.1:	The City shall develop and adopt policies for diversion of total solid waste
15-1.5.1.1.	generated by the city.
Status:	Partially Implemented. The City actively participates in the County AB 939 Task
Status.	Force's Source Reduction and Recycling Element and Household Hazardous
	Waste Element program.
Recommended	r
Course Adjustment:	None. Develop and implement policies.
PS-1.6.1.1:	The City shall cooperate with the Amador County Unified School District in the
	development of a new elementary school site with public recreation facilities.
Status:	Not Implemented.
Recommended	
Course Adjustment:	None. Implement as needed
PS-1.8.1.1:	The Police Chief and/or an outside consultant on a regular basis should
	calculate the cost of facilities that would be needed to adequately serve
	projected demand and a timetable for which the facilities must be brought into
	use. The costs and time frame should be compared with projected revenues and,

March 20, 2023 Page 18 of 58

Status: Status: Implemented and Ongoing. An AB1600 study & fee have been adopted. It became effective on April 17th, 2008. Police facilities were included in the study. PS-1.8.2.1: PS-1.8.2.1: The City will likely need to rely upon the services of an outside fiscal consultant to conduct the referenced study and prepare subsequent plan. To save costs, this project could be combined with an overall budget projection analysis and capital improvement program as is called for under the subject heading "Funding Public Services" Status: Implemented and Ongoing. An AB1600 study and fee have been adopted, effective on April 17th, 2008 Recommended Course Adjustment: None. Conduct regular evaluation of fees. PS-1.9.1.1: None. Conduct regular evaluation of fees. PS-1.9.2.1: The Status: Implemented and Ongoing. Projects are reviewed on a case-by-case basis and are required to provide, if applicable. None. Continue to implement. PS-1.9.2.1: The 10-year plan should be drafted by the Sutter Creek Fire Protection District and portions that are relative to Sutter Creek should be adopted by the City Council. Not Implemented. The City does not currently have a 10-year fire protection service plan. The Amador Fire Protection District has formed a Community Facilities District, which encompasses all of the properties within the City.
Implemented and Ongoing. An AB1600 study & fee have been adopted. It became effective on April 17th, 2008. Police facilities were included in the study. None. Conduct regular evaluation of facilities costs and demands.
Recommended Course Adjustment: PS-1.8.2.1: The City will likely need to rely upon the services of an outside fiscal consultant to conduct the referenced study and prepare subsequent plan. To save costs, this project could be combined with an overall budget projection analysis and capital improvement program as is called for under the subject heading "Funding Public Services" Status: Recommended Course Adjustment: PS-1.9.1.1: None. Safety Element

S-1. 2.5.1:	The City shall maintain a record of mining activities within the city.
Status:	Partially Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.

March 20, 2023 Page 19 of 58

S-1.3.2.1:	
	1.3.2, which concerns peak flow runoff from new development within the
	Sutter Creek drainage area but outside of City jurisdiction.
Status:	Partially Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
S-1.3.3.1:	The City shall consult with the County of Amador about General Plan Policy S-
5-1.5.5.1.	1.3.3, which concerns review of development projects within the Sutter Creek
	, , , , , , , , , , , , , , , , , , ,
Chatman	drainage area.
Status:	Partially Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
S-1.3.4.1:	The City shall continue to identify flood hazards and funding to correct the
	hazards.
Status:	Partially Implemented and Ongoing. The City has systematically applied for
	grants to eliminate flooding hazards. The Old Sutter Hill hazard elimination
	grant corrected problems in the southeast portion of the City and the Broad St.
	grant addresses issues in the eastern portion of the City. The City required the
	Sutter Crest East Subdivision to resolve all flooding related problems in its
	area; Golden Hills; Powder House; Lincoln Mine Estates; Bryson Dr. Cottages;
	Crestview; etc. The City improved the Main St. Bridge with grant funds to help
	eliminate flooding in the City Hall area. The City received a grant for
	improvement of the Badger St. Bridge. Construction improvements were
	completed in 2017, which should help eliminate flooding. The Main Street
	Bridge replacement project began in April 2018 and was completed in
	September 2019. No new improvements occurred in 2021.
Recommended	
Course Adjustment:	None. Continue to implement.
S-1.4.8.1:	The City, in cooperation with the Fire Protection District, shall prepare a Fire
	Safe Plan for the City's consideration and adoption.
Status:	Not Implemented.
Recommended	
Course Adjustment:	None. Continue to implement.
S-1.4.9.1:	The City and/or Fire District shall facilitate property owners in fulfillment of
	this objective by sponsoring educational programs as well as efforts to obtain
	grants, special districts formation, or other funding mechanisms.
Status:	Not Implemented. A program to reduce or eliminate the threat of urban fire has
Status.	not been planned for or funded by property owners in the Downtown Historic
	District. It should be noted, however, that this project has been suggested and
	while business owners are supportive of it, landowners have been resistant to the
	idea. The City continues to suggest such a program
Dagammandad	luca. The City continues to suggest such a program
Recommended	None Continue to implement
Course Adjustment:	None. Continue to implement.
S-1.5.1.1:	
	should address the recommendations of General Plan Task Force #3 as listed
	within the previous text. City departments and other public service agencies
	should be directed to actively cooperate and provide their own emergency plans
	in the effort.
Status:	Implemented and Ongoing. The County updated the Local Hazard Mitigation
	Plan (LHMP) in 2020 and the City adopted the LHMP by reference into the
-	•

Recommended Course Adjustment: None. Continue to implement.
Course Adjustment: None. Continue to implement.
H-1.1.1.3: The committee should recommend other policies and procedures for the
citywide maintenance and enhancement of historic values including, possibly, a
historic preservation ordinance, designation of the downtown area as a
nationally registered historic place, participation in the National Historic
Preservation program as a certified local government, and participation in the
California Main Street program.
Status: Partially Implemented. According to the National Register, the Sutter Creek
downtown has not been designated as a historic place at this time. Sutter Creek
is not actively participating in the National Register program. Preservation and
treatment of historical architectural features are included in the City's adopted
Design Standards. The Design Review Committee ensures City-wide Design
Standards are implemented. The Design Standards include a process for
evaluating project compliance with the Design Standards.
Recommended
Course Adjustment: None. Continue to implement.
H-1.1.4: Documentation in compliance with the State of California and City of Sutter
Creek regulations for removing or altering historic buildings, structures, objects
and/or sites shall be required prior to the issuance of a building or demolition
permit.
Status: Implemented and Ongoing.
Recommended
Course Adjustment: None. Continue to implement.
H-1.1.3.1: The City shall provide the North Central Information Center and historians or
individuals knowledgeable about the City's history qualified to review
development proposals in the City of Sutter Creek adequate information and
time to review and comment upon major development proposals that have a
potential to affect known or unknown cultural or historical resources.
Status: Implemented and Ongoing. Actions subject to CEQA are circulated for review
and if resources are discovered during the analysis, the appropriate local, state,
or federal parties are contacted.

March 20, 2023 Page 22 of 58

Recommended	
Course Adjustment:	None. Continue to implement.
Н-1.1.4.1:	Discretionary development project approvals shall contain the condition that
	sign of historic or prehistoric occupancy or use of the site that is discovered
	during grading or building activities will cause an immediate halt to such
	activities and the prompt notification of the City, the Chairperson, Jackson
	Rancheria and the North Central Information Center or the State Office of
	Historic Preservation.
Status:	Implemented and Ongoing.
Recommended	
Course Adjustment:	None. Continue to implement.
H-1.1.5.1:	Enforce and improve the historic overlay land use designations contained in the
	General Plan Land Use Element through the City's Design Standards.
Status:	Implemented and Ongoing. Municipal Code Chapter 15-38 has been adopted and
	the historic overlay established in the Land Use Overlay Diagram. The Design
	Review Committee enforces City-wide Design Standards. The Design Standards
	include a process for evaluating project compliance with the Design Standards.
Recommended	
Course Adjustment:	None. Continue to implement.
H-1.1.5.2:	The Design Review Committee should recommend to the City Council and
	Planning Commission a list of land uses deemed compatible with the intent of
	the historic districts.
Status:	Implemented and Ongoing. The City currently has a list of land uses deemed
	compatible with the intent of the Downtown Historic District, based in the zoning
	code. General Plan Land Use Element Table 4-2 defines the historic district and
	district limits are depicted in General Plan Figure 4-2 Land Use Overlay
	Diagram.
Recommended	
Course Adjustment:	None. Continue to implement.

Parks and Recreation Element

PR-1.1.2.1:	New residential development will either dedicate land or pay an in-lieu fee for		
	parkland (or a combination, at the option of the City) based upon a ratio of 5		
	acres per 1,000 residents anticipated in the development.		
Status:	Implemented and Ongoing. Fees are collected during the building permit process.		
Recommended			
Course Adjustment:	None. Continue to implement.		
PR-1.1.2.2:	The City shall prepare and adopt a parks master plan and funding mechanism		
	for construction and maintenance.		
Status:	Not Implemented. The City is in the process of establishing Development		
	Standards and funding mechanisms. No Master Plan has been established.		
Recommended			
Course Adjustment:	None. Continue to implement.		
PR-1.1.4.1:	The City shall consult with the Amador County Unified School District about		
	school recreational facilities remaining available for public use when not being		
occupied by school functions.			
Status:	Not Implemented. The City will be working with the District when a Parks		
	Master Plan is developed.		

March 20, 2023 Page 23 of 58

Course Adjustment: PR-1.1.5.1: The general purposes and features of a regional park/sports complex are described in the previous text, as are some general considerations for obtaining such a facility. have been discussed in public workshops that will eventually be created and		
linked together to connect neighborhoods within the City.		
minute to gettiet to commerciations within the City.		
The City participated in the ACTC pedestrian/bicycle study and the ACRA park		The City participated in the ACTC pedestrian/bicycle study and the ACRA park
study. The Citywide trail system was included in these plans and adopted into		
the General Plan Update. This trail system connects extensively with each		the General Plan Update. This trail system connects extensively with each

March 20, 2023 Page 24 of 58

neighborhood and planned neighborhood. Each new development will construct portions of the trail and the City has applied for grants to construct portions of the trail in established neighborhoods. The City has constructed the Nickerson Trail and is engaged in planning a trail from the footbridge downtown to the Central Eureka Mine. The current Circulation Element Update identifies pedestrian trail and bike path locations and improvement opportunities.

Recommended Course Adjustment:

None. Continue to implement.

PR-1.1.8.2:

Dedication of creekside greenways is a requirement contained in the Land Use Element that applies to new development projects along Sutter Creek and Gopher Gulch. As future development occurs, improvements in the creekside greenway zones should consist only of passive recreation facilities including bicycle paths, pedestrian trails, picnic areas, open space, and similar uses. Riparian habitat should be maintained as much as possible. New plantings should consist of native plants to the greatest extent possible. The following controls should also apply:

- 1. Urban structures and facilities such as houses, commercial and industrial buildings, and parking lots shall be prohibited;
- 2. Filling shall be prohibited wherever feasible;
- 3. The obstruction of stream flow by manmade facilities shall be prohibited; and
- 4. The destruction of riparian vegetation should be prohibited except for flood control and public health and safety reasons.

Status:

Partially Implemented. The City reviews new projects and subdivisions adjacent to Sutter Creek and Gopher Gulch in compliance with project review and subdivision review procedures. Conditions of approval are applied to maintain existing habitat. To date, passive recreation facilities and/or dedication have not been required

Recommended Course Adjustment:

None. Continue to implement.

PR-1.1.9.1:

A general explanation of the interlinking pedestrian and bicycle trail network is provided in the previous text of this Element. The network is also addressed by objectives, policies, and implementation measures found within the Circulation Element, and depicted on the Circulation Diagram, Figure 6-1. The bicycle and pedestrian transportation plan shall study alternative designs and locations, and develop maps and diagrams for essential components of the network. The bicycle and pedestrian transportation plan should also address means to obtain needed trails in developed parts of the City. New developments should be required to provide for links to the system where necessary. Such links should not generally be considered a contribution to parklands dedication if it serves in-lieu of other pedestrian and bicycle facilities.

Status:

Implemented and Ongoing. The City studied alternative designs, locations, and means for acquiring trails. New developments are required to provide links to the pedestrian/ bicycle trails network. The City participated in the Amador Countywide Pedestrian and Bicycle Plan adopted in 2017. A Circulation Element Update is currently being prepared that identifies pedestrian trail and bike path locations and opportunities.

APPENDIX B Review of Housing Element Programs

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Joi	nt City/County F	Programs	
Goal H-1: Provide adequate sites to encourage provi	ision of affordab	ole housing.	
Program H-1.1: To ensure that there is a sufficient supply of multi-family- and single-family-zoned land to meet the regional housing needs allocation (RHNA), the County and the cities of lone, Jackson, Plymouth, and Sutter Creek will annually review their land inventory. Each jurisdiction will consider single-family-zoned, vacant infill lots for potential reuse and additional development of affordable second units, multi-family dwellings, and special needs housing. Responsibility: Planning Department of each jurisdiction Funding: General Fund Time Frame: Annually Quantified Objective: N/A	Implemented	The Housing Element includes a citywide inventory of potential infill sites. The inventory list contained in the Housing Element is available at the Community Development Department offices and at Sutter Creek City Hall counter, and is posted on the City's website, www.cityofsuttercreek.org. The inventory was updated at the time the Housing Element is updated. Between updates of the Housing Element, City staff will maintain a database of the housing inventory, and vacant or infill sites with modifications entered each time a building permit or use permit is approved. The Planning staff will make the database available at the City Hall and Community Development counters.	Continue

March 13, 2023 Page 27 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Program H-1.2: The County and the cities of Ione, Jackson, Plymouth, and Sutter Creek will consider jointly pursuing funding through various state and federal programs or apply individually. The jurisdictions will consider jointly pursing funding on an annual basis or pursue funding individually by submitting grant applications depending on the availability of funding. Local, state, and federal programs include: BEGIN (federal) CalHome Program (federal) Community Development Block Grant (federal) Multifamily Housing Program (federal) Section 8 (federal) State Homeownership Program (state) Residential Energy Conservation (state) Community Reinvestment Act (federal) Mortgage Credit Certificate Non-Profit Housing Development Corporation	Not Implemented	The City has not actively pursued available funding due to limitations on staff availability to conduct the search.	Continue
Responsibility: Planning Department of each jurisdiction, Grants Coordinators			
Funding: General Fund, Program Administration Funds (Housing Authority)			
Time Frame: Annually, and as NOFAs are released			
Quantified Objective: N/A			

March 13, 2023 Page 28 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Program H-1.3: The County and the cities of lone, Jackson, Plymouth, and Sutter Creek should promote the development of second unit dwellings by publicizing information at City Halls, the County Administration Center, and posting information on each jurisdiction's website. Each jurisdiction should provide information regarding permit requirements, changes in State law, and benefits of second unit dwellings to property owners and the community. Responsibility: Planning Department of each jurisdiction Funding: General Fund Time Frame: Review and update annually Quantified Objective: N/A	Implemented	The City's General Plan and regulations are posted on the City's website (www.cityofsuttercreek.org) providing applicants with information on second dwelling units. The City provides links on the City website to the "housing and employment information" on the County website. Due to the changing nature of state law, grant funding, and the economy, the Planning staff does not maintain a packet of information that would quickly become outdated but works with each applicant to inform them of the options available for second unit dwellings. One Accessory Dwelling Unit was approved in 2022.	Continue
Program H-1.4: The County and the cities of lone, Jackson, Plymouth and Sutter Creek shall consider applying jointly or individually to use CDBG funding for the First-time Homebuyer Program. Responsibility: Planning Department of each jurisdiction Funding: General Fund Time Frame: Apply annually Quantified Objective: N/A	Not Implemented	The City has not actively pursued available funding due to limitations on staff availability.	Continue

March 13, 2023 Page 29 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Program H-1.5 The County and the cities of lone, Jackson, Plymouth and Sutter Creek will consider developing an Affordable Housing Trust Fund with funds that could be acquired from housing developers and or employers throughout the County. Funds could be collected from housing developers when new residential projects are built or new employers locating in the County when their workplaces are established. Once funds start being collected, the newly established Countywide Housing Committee comprised of a representative from each jurisdiction would develop a priority list for the use of these funds. Funds could be used to build new affordable housing or to rehabilitate existing housing. The jurisdictions would apply for matching funds from the Local Housing Trust Fund Matching Grant Program though the State Housing and Community Development Department (HCD). Responsibility: City Manager, City Planner, County Planning, Planning Commission, Board of Supervisors and City Council Funding: General Fund Time Frame: Consider developing a trust fund by June 2016. Quantified Objective: N/A	Partially Implemented	A Trust Fund or Countywide Housing Committee was not established in 2022. In Sutter Creek, this program is implemented on a case-by-case basis for major subdivisions. The most recent example of implementation of this program was the approval of the Gold Rush Ranch Specific Plan (GRRSP) in 2010. Public housing benefits provided by the GRRSP are highlighted in Chapter 3 of the Specific Plan including establishment of an affordable housing trust fund for the funding of affordable housing, administered by the City.	Continue

March 13, 2023 Page 30 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Program H-2.1: The County and the cities of lone, Jackson, Plymouth, and Sutter Creek will consider working together or individually with nonprofits and forprofit housing development corporations specializing in housing for various special needs groups to accommodate housing that meets the needs of these groups.			
Each jurisdiction will work with nonprofit housing corporations to educate its citizens regarding the necessity of providing the affordable housing needed to support the job growth occurring throughout the County. Specifically, this information will focus on the need to provide affordable housing close to jobs in an effort to reduce the traffic and air quality impacts that result from long commutes.	Not Implemented	The City has not actively pursued available funding for affordable housing.	Continue
Programs will target community opposition to affordable housing projects in an effort to establish positive perceptions. Education will occur through public meetings, presentations to the community, and articles published in the local newspaper.			
Should the County and the cities successfully receive funding either jointly or individually, each jurisdiction will promote and publicize the availability of funding for loans and grants (when additional CDBG/HOME funds are acquired) through the local media, mailings to property owners in targeted areas, and mailings to local contractors and developers

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Program H-2.3: The County and the cities of lone, Jackson, Plymouth, and Sutter Creek shall consider working together or individually with the ATCAA to find suitable sites for transitional, supportive, and female heads of households housing. The County and the cities of lone, Jackson, Plymouth, and Sutter Creek shall consider working together to host an annual meeting with A-TCAA to insure that opportunities for transitional and special needs housing are implemented to the greatest extent possible. Responsibility: Building Inspector, County Planning, City Planners, County Administrators and City Managers Funding: General Fund Time Frame: Ongoing with annual meetings Quantified Objective: N/A	Partially Implemented	In June 2020, the County Homeless Task Force prepared data and a report identifying 4 potential sites for such housing. One site was in Martell (new construction), two in Jackson (hotel conversion), and one in Ione (Preston Castle conversion of caretaker units). The study did not identify appropriate locations in Sutter Creek. In January 2022, the City of Sutter Creek received an application from DANCO for a 46 unit permanent supportive housing complex. Progress on the application is anticipated in 2023.	Continue

March 13, 2023 Page 33 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Goal 3: Support the conservation and rehabilitation and the conservation of natural resources in the dev			on of energy use
Program H-3.1: The County and the cities of lone, Jackson, Plymouth, and Sutter Creek shall consider surveying the conditions of housing stock jointly or individually to determine the number of housing units in need of rehabilitation and replacement. The jurisdictions should consider utilizing the survey results to pursue available funding sources to develop a countywide rehabilitation program (or continue with individual programs). The County and the Cities shall keep in contact with Department of Housing and Community Development for changes which will improve the chances of obtaining funding, including the availability of new programs. Responsibility: Building and Planning Departments Funding: CDBG, HOME, USFA Rural Housing Services fund Time Frame: June 2016 Quantified Objective: N/A	Implemented	The Housing Element includes the results of the housing stock condition survey most recently updated in 2010. The City has not developed a rehabilitation program. The City requires that buildings meet code at the time of ownership change or at the time a building permit is requested. The City implemented a Community Development Block Grant (CDBG) for age-restricted and lowincome occupants in 2008 and 2009. City staff reviews funding for potential programs on an annual basis to determine if the programs are available and if the City has the ability to implement the program.	Continue
Program H-3.2: The County and the cities of lone, Jackson, Plymouth, and Sutter Creek will enforce the State of California's Title 24 energy requirements. Title 24 energy requirements define construction standards that promote energy conservation. In addition, each jurisdiction will consider partnering with AC-TCA and ACES, Inc. (formerly Amador County Environmental Services) to promote energy conservation.	Implemented	The City collaborates with Pacific Gas and Electric (PG&E) on installing energy-efficient lighting. In 2012 the City and PG&E selected new standard energy-efficient lights to be used in the city.	Continue

March 13, 2023 Page 34 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Some measures the County and the cities could undertake jointly or individually to assist in the implementation of the A-TCAA program include providing brochures at public counters, providing brochures to senior centers, or applying for funds either jointly or individually to assist homeowners in undertaking weatherization projects in conjunction with government-assisted rehabilitation projects Responsibility: Building, Planning and Engineering Departments Funding: None required Time Frame: Ongoing Quantified Objective: N/A		The City provides a link to the PG&E energy-efficiency website from the City's website. The City provides residents with the local PG&E representative's contact information when an inquiry is made regarding energy efficiency.	
Program H-3.3: The County and cities of lone, Jackson, Plymouth, and Sutter Creek shall continue to support PG&E's weatherization program as an important means of lowering housing costs and preserving housing affordability. Responsibility: Building, Planning and Engineering Departments Funding: None required Time Frame: Ongoing Quantified Objective: N/A	Implemented	The City collaborates with Pacific Gas and Electric (PG&E) on installing energy-efficient lighting. In 2012 the City and PG&E selected new standard energy-efficient lights to be used in the city. The City provides a link to the PG&E energy-efficiency website from the City's website. Program H-6: Fee Waiver or Deferral. The City shall review its fees imposed on development and identify those fees that could be waived or reduced for low-and moderate income housing developments on a case-by-case basis. The City shall review its subdivision, zoning, and building codes for unnecessary and costly requirements, which could be waived for low-income housing. The City shall ensure that proposed modifications will not create safety hazards, increase liability, or develop inconsistencies with the General Plan, City regulations or State law. The City shall amend its codes as necessary. Responsibility: Community Development Department, City Council, Planning Commission Funding: Developer and General Fund Time Frame: Annually and with each development application	Implemented	This program is implemented on a case-by-case basis for major subdivisions. The fees for the Gold Rush Ranch Specific Plan were waived in recognition of benefits to the City committed to by the Development Agreement, including new low- and moderate-income housing. An ordinance has not been adopted to reduce fees in recognition of the changing economy, changing regulations, and the desire to negotiate maximum benefits to the City during project review. An application checklist has been created to streamline the review process.	Continue

March 13, 2023 Page 43 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program	
Quantified Objective: N/A		The City Building Code provides opportunities for waiving requirements for low-income housing. The City has reviewed its subdivision, zoning, and building codes and has continued to find the requirements are necessary. This program will be continued.		
Program H-7: Reasonable Accommodations. The City shall review and amend its Municipal Code to provide individuals with disabilities reasonable accommodation (in full compliance with Senate Bill 520) in rules, policies, practices, and procedures that may be necessary to ensure equal access to housing. The City shall create a public information brochure on reasonable accommodation for disabled persons and provide that information on the City's website. Responsibility: Community Development Department, City Council Funding: General Fund Time Frame: June 2015	Implemented/ Partially Complete	The City has implemented this program through adoption of City Code Section 18.58 "Accommodation of Persons with Disabilities." No further amendment to the City Code was made in regard to SB 520. Updates to the Code are in progress for 2022. A brochure on reasonable accommodation for disabled persons was not created or provided on the City's website and this program will be continued.	Continue	
Quantified Objective: N/A				
Program H-8: Transitional and Supportive Housing. The City shall review the General Plan Land Use Element and Zoning Ordinance to assure compliance with SB 2 requirements to allow transitional and supportive housing in zones that allow for residential housing.	Complete; continue to review for modifications to state law	The City's Zoning Ordinance was updated to allow transitional housing in 2008. Ordinance 330 was created to allow transitional housing in the R4 zone. Updates to the Code are planned for 2022 in which transitional housing will also be allowed in the R-3, MU, and C-2 zones.	Continue and modify as requirements change	

March 13, 2023 Page 44 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Responsibility: Community Development Department, City Council, Planning Commission			
Funding: General Fund			
Time Frame: January 2015			
Quantified Objective: N/A			
Program H-9: Historically Significant Structures. The City shall assist, as appropriate, in the rehabilitation and adaptive reuse of historically-significant structures. This shall include assisting private property owners of historically-significant structures in applying for and utilizing State and Federal assistance programs as appropriate. Responsibility: Community Development Department Funding: State and Federal funds Time Frame: Ongoing Quantified Objective: N/A	Implemented	The City Planning Department coordinates the rehabilitation and adaptive reuse of historically significant structures as appropriate. No historically significant residential structures have been processed since the last update of the Housing Element. The Sutter Creek Community Benefit Foundation is continuing improvements to the Old Sutter Creek Grammar School. This program will be continued	Continue
Programs H-10: Allow for Residential Care Facilities per state law. The Zoning Ordinance shall be amended to allow residential care facilities by right in residential zones for small facilities (six persons or fewer) and with a conditional use permit for large facilities (seven persons or more) consistent with state law Responsibility: Community Development Department, City Council, Planning Commission Funding: General Fund	Partially Implemented	Group dwellings are permitted within the R-4 and C-2 zones, as well as transitional housing, farm worker housing, and single room occupancy dwellings. No amendment to the Zoning Ordinance occurred. The Zoning Ordinance is in the process of being updated (2023).	Continue

March 13, 2023 Page 45 of 58

Housing Program	Status	Accomplishments	Continue, Modify or Delete Program
Time Frame: January 2015			
Quantified Objective: N/A			
Programs H-11: Assisting "At-Risk" Units. The City currently contains no deed-restricted units and therefore there are no "at-risk" units at this time. Should the City have any affordable units in the future, the City will contact all state and federal agencies that might provide affordable housing funds to determine whether any funding is available for future preservation of assisted housing developments. The City will work with not-for-profit housing providers to apply for affordable housing subsidies that may be available for this use, if necessary in the future.	Not Implemented	Currently no deed-restricted or "at risk" units exist in the City of Sutter Creek.	Continue
Responsibility: City Planner			
Funding: State and Federal Grants			
Time Frame: As needed			
Quantified Objective: N/A

March 13, 2023 Page 55 of 58

APPENDIX D Additional Content

a. Interagency or intergovernmental coordination efforts and identify areas for improvement. This may include participation in a regional blueprint or partnerships with State or Federal programs.

The City coordinated with FEMA on the Broad Street Drainage project, ACTC and Caltrans implementing road improvements in the City, Amador County for the Local Hazard Mitigation Plan, EPA and DTSC for the Central Eureka Mine Cleanup.

b. The implementation of mitigation measures from the General Plan Final Environmental Impact Report or Negative Declaration.

The General Plan's Final Negative Declaration relies on implementation of the General Plan Goals, Objectives, Policies, and Implementation Measures to avoid impacts or reduce impacts to a less than significant level. See the discussion of implementation compliance in Appendix A.

c. Equity planning considerations of the General Plan, such as impacts on particular ethnic or socioeconomic population groups (i.e., environmental justice issues).

The 2019 General Plan Update includes an Environmental Justice Element. Additional equity planning is not fiscally feasible at this time and Sutter Creek is not identified as an SB 535 Disadvantaged Community.

d. Promote infill development, reuse, and redevelopment particularly in underserved areas while preserving cultural and historic resources.

The cleanup of the Central Eureka Mine was completed, and a public park/picnic area has been established. The City supported the Sutter Creek Community Benefit Foundation to implement projects not fiscally feasible by the City.

e. Protect environmental and agricultural resources and other natural resources

The cleanup of the Central Eureka Mine was completed, and a public park/picnic area has been established. Projects are evaluated on a case-by-case basis to protect resources.

f. Encourage efficient development patterns

The City planning staff advised applicants during consultation on efficient development patterns for submittal of conditional use permits. The General Plan Land Use Diagram was updated in 2019 to ensure consistency with the zoning map, actual land use, and appropriate development patterns

g. Economic development – Depending on the needs of your jurisdiction, this analysis could include information on the jobs to dwelling units ratio, tax revenues, demographics, census information, etc.

The City works with and provides funding to the Sutter Creek Business and Professional Organization to support economic development and tourism. The City supported efforts to expand outdoor dining along Main Street and continued to promote local shopping during the Covid-19 pandemic.

h. Monitoring long-term growth – For example: population growth, employment growth, land use development, and the provision of adequate supporting public services and infrastructure.

The city monitors long-term growth through monitoring building permits and coordination with Amador County, Amador Water Agency, ACTC, and ARSA. A GIS-based mapping system has been established to track infrastructure improvements and needs.

i. Identify and monitor customer service improvements and methods to encourage public involvement in planning activities.

The City retains the responsibility for building department services to improve responsiveness and speed. The City's Planning and Building Department website is maintained to provide current information and forms. Application checklists have been updated to improve electronic documentation and clarity. With restrictions on public gatherings and social distancing, the City conducted public meetings through Zoom and ensured notices and materials were placed on the

March 13, 2023 Page 56 of 58

City's website. The City also began facilities improvements so that future public meetings could be recorded and broadcast.

j. Review and summarize grant administration for land use planning activities.

SB 2 grant funds are being used for the zoning code update, establishment of Development Standards and update the Circulation Element, and a LEAP grant is being used for a Citywide EIR to streamline future projects. These grants were awarded in 2020, with ongoing work conducted to revise the zoning code, prepare Development Standards, update the Circulation Element and prepare a Citywide EIR addressing those updates, with completion expected in 2023.

f. Provide a technology review such as implementation of Geographic Information Systems (GIS) or establishment of web sites.

The City continues to update its web site with additional City plans, regulations, forms, and documentation in 2022. A GIS database of the City has been established to track projects, infrastructure improvements, short-term improvement needs, and other land use data. As noted in item "I", the City also implemented technology improvements to allow for public meetings to be held online.

STAFF REPORT

TO: SANDRA SPELLISCY, INTERIM CITY MANAGER

MEETING DATE: MARCH 20, 2023

FROM: GEORGE ALLEN PUBLIC WORKS FOREMAN

SUBJECT PUBLIC WORKS DEPARTMENT REPORT FOR JANUARY 2023

Objective: The objective of this Staff Report is to provide a monthly status update regarding activities within the Public Works Department.

Wastewater Treatment Plant Status:

The WWTP did meet all the effluent quality discharge requirements for the month of January.

Table 1. Monthly Status of required reporting constituents.

Table 1. Withting Status of required reporting constituents.									
Constituent	Monthly Results	Monthly Limits							
Monthly Influent Flow	28.383 MG. 0.916 mgd daily avg	$.48 \mathrm{mgd}^1$							
Effluent BOD, mg/L	22 mg/L	30 mg/l							
Effluent Settleable Matter,	< 0.1 ml/L	0.5 ml/l							
mL/L									
Effluent TSS, mg/L	12 mg/L	30 mg/l							
Total Coliform, MPN	1.8 mpn	23 mpn							
Sludge Wasted	18,625 gallons								
Rain	16.71 in.	37.52 in. YTD –26.42" Last YTD							

¹ The .48 mgd is daily dry weather flow (May through October).

Plant Compliance Issues:

- The December 2022 report was electronically submitted to Regional Water Quality Control Board.
- The Regional Water Quality Control Board staff did a site visit of the Treatment Plant to see how it performed during the flooding at the beginning of the January.

Operational Strategy Modifications:

- The rag bin was hauled on January 13, 2023.
- A regular sludge wasting schedule was kept with a total of 18k gallons dewatered.

Collection System Status:

SSMP Activity

Calls for service

• 1/30/23, 194 Lorinda Dr. private lateral issue.

Service Requests

Responded to sixteen Service Requests in January.

- Three were for a facility issues;
- Three were for street issues:
- Four were for storm drain issues:
- Two were for sewer issues;
- Three were for waterway issues;
- And one park issue.

Effluent Disposal

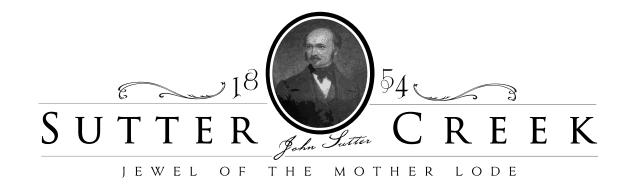

- The Regional Water Quality Control Board staff did a site visit of the ARSA system to see how it performed during the flooding at the beginning of the January.
- Moved the Irrigation system at Preston Reservoir to higher ground.
- Cleaned up multiple trees that came down across the ARSA right of ways
- Sending weekly updates to the Regional Board on reservoir levels and volumes.
- Daily flow checks and level readings.

Streets and City Right of Way.

- Responded to a report of a failing storm drain on Gold Strike Ct.
- Responded to a report of a plugged and overflowing storm drain on Eureka Rd.
- Cleaned several City streets due to flood in early January.
- Cleaned the debris rack and Cole St. several times
- Campbell Construction temporary repair to Gold Strike Ct. to maintain flow though the culvert to prevent any more street damage.
- Ongoing storm drain cleaning due to storms.
- Ongoing roadside trash cleanup.
- Ongoing patching of numerous potholes.

Parks and Buildings

- Ongoing cleaning of the Auditorium basement due to it being flooded on New Year's Eve.
- Clean up of park areas due to the heavy storms.
- Ongoing set up and take down for the meeting in the Community Center.
- Ongoing cleanup of Community Center, Auditorium and Grammar School for the rentals.

STAFF REPORT

TO: SANDRA SPELLISCY, INTERIM CITY MANAGER

MEETING DATE: MARCH 20, 2023

FROM: GEORGE ALLEN PUBLIC WORKS FOREMAN

SUBJECT PUBLIC WORKS DEPARTMENT REPORT FOR FEBRUARY 2023

Objective: The objective of this Staff Report is to provide a monthly status update regarding activities within the Public Works Department.

Wastewater Treatment Plant Status:

The WWTP did meet all the effluent quality discharge requirements for the month of February.

Table 1. Monthly Status of required reporting constituents.

Constituent	Monthly Results	Monthly Limits
Monthly Influent Flow	14.470 Mg. 0.517 mgd daily avg	.48mgd ¹

Total Coliform, MPN	< 1.8 mpn	23 mpn
Sludge Wasted	39,809 gallons	
Rain	4.80 in.	41.56 in. YTD –26.42" Last YTD

¹ The .48 mgd is daily dry weather flow (May through October).

Plant Compliance Issues:

- The January 2023 monthly report and the 2022 annual report were electronically submitted to Regional Water Quality Control Board.
- Tesco Flow Controls did the annual flowmeter calibration for the Treatment Plant.

Operational Strategy Modifications:

- The rag bin was hauled on February 13, 2023.
- A regular sludge wasting schedule was kept with a total of 39k gallons dewatered.

Collection System Status:

SSMP Activity

Calls for service

- 2/3/2023 65 Hygrade Dr. plugged private lateral.
- 2/6/2023 140 Judy Dr. plugged City main.
- 2/10/2023 168 Lorinda Dr. plugged City main.
- 2/19/2023 55 Main St. plugged City main.
- 2/24/2023 83 Dennis St. plugged City main.

- 2/25/2023 55 Main St. plugged City main.
- 2/28/2023 Intersection of Old Rte. 49 and the blocked of end of pleasant Dr. plugged City Main.

Sewer System Cleaning and Maintenance.

For February 2023, there was 11,148 feet of sewer line cleaned. Total amount cleaned for 2023 is 11,148 feet.

Service Requests

Responded to six Service Requests in February.

- One was for a street issue:
- One was for street light outage;
- Three were for sewer issues:
- And one park issue.

Effluent Disposal

- Tesco Flow Controls did the annual flowmeter calibration on Bower irrigation and Henderson reservoir flowmeters.
- The Regional Water Quality Control Board staff did a site visit of the ARSA system to see how it performed during the flooding at the beginning of the January.
- Continued the cleaning up multiple trees that came down across the ARSA right of ways
- Sending weekly updates to the Regional Board on reservoir levels and volumes.
- Daily flow checks and level readings.

Streets and City Right of Way.

- Stabilized the storm drain failure on Gold Strike Ct, inspected with City Engineer and contractor on the repairs that are still needed.
- Inspected with City Engineer and contractor on the repairs that are needed for failing storm drain on Eureka Rd.
- Cleaned several City streets due to flood in early January.
- Cleaned the debris rack and Cole St. several times
- Ongoing storm drain cleaning due to storms.
- Ongoing roadside trash cleanup.
- Ongoing patching of numerous potholes.

Parks and Buildings

- Sierra Foothill Fire Extinguisher service did the annual service on the City's fire extinguishers
- Assisted Signal Service with the annual fire alarm inspection at the Historic Grammar School.

- With the help of Cal Fire Pine Grove camp, cleaned up multiple trees in the City Cemetery.
- Assisted Signal Service with repair of damaged door sensor for the alarm system at the Historic Grammar School.
- Ongoing cleaning of the Auditorium basement due to it being flooded on New Year's Eve
- Clean up of park areas due to the heavy storms.
- Ongoing set up and take down for the meeting in the Community Center.
- Ongoing cleanup of Community Center, Auditorium and Grammar School for the use as rentals.

3/15/2023

TO: SANDY SPELLISCY, INTERIM CITY MANAGER

MEETING DATE: MARCH 20, 2023

FROM: KAREN DARROW, ADMINISTRATIVE SERVICES SUPERVISOR

SUBJECT: ADMINISTRATIVE SERVICES JANUARY 2023 REPORT

RECOMMENDATION:

For information.

BACKGROUND:

The Administrative Services Department encompasses a variety of functions on behalf of the City including Human Resources, Risk Management, the Office of the City Clerk and Public Engagement and Marketing.

Included is an overview of the activity within the Administrative Services department for the month of January 2023.

DISCUSSION:

Risk Management

 Review and oversight of one active Workers Comp claim and two ongoing liability claims.

Human Resources

- Personnel Audit- Annual Evaluation Schedule
- Coordinate recruitment for Administrative Analyst position

City Clerk

- 10-Public Record Request Responses and 19-Citizen Inquiries responses.
- Agenda preparation, minutes and follow up for:
 3-City Council, 1- workshop, 1- Planning Commission and 1- ARSA meeting
- Issued 2-Design Clearance permits, 2- sign permits and 1-CUP
- 2- Public Hearing Notices
- Update and review content for the City of Sutter Creek website.

Public Engagement and Marketing

- Crafted 3 social media marketing ads designed to reach specific target groups.
- Review and analyze previous season marketing.
- Planning for upcoming spring marketing effort.
- Attend Monthly SCBPA meeting

• Update and review content for Visit Sutter Creek website

STAFF REPORT

TO: SANDRA SPELLISCY, INTERIM CITY MANAGER

MEETING DATE: MARCH 20, 2023

FROM: KAREN DARROW, ADMINISTRATIVE SERVICES SUPERVISOR

SUBJECT: ADMINISTRATIVE SERVICES FEBRUARY 2023 REPORT

RECOMMENDATION:

For information.

BACKGROUND:

The Administrative Services Department encompasses a variety of functions on behalf of the City including Human Resources, Risk Management, the Office of the City Clerk and Public Engagement and Marketing.

Included is an overview of the activity within the Administrative Services department for the month of February 2023.

DISCUSSION:

Human Resources

- Administer Mandatory Ethics Training
- Recruitment Administrative Analyst position
- Attend PACE JPA Quarterly Board Meeting

Risk Management

 Review and oversight of one active Workers Comp claims and two ongoing liability claims.

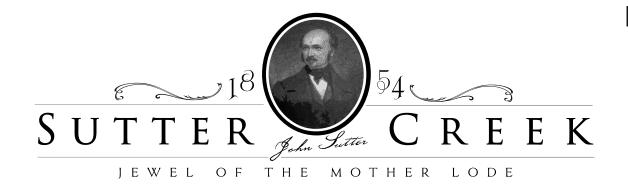

City Clerk

- 54-Public Record Request Responses and 11-Citizen Inquiries responses.
- Agenda preparation, minutes and follow up for:
 3-City Council, 2- DRC and 1-ARSA meeting.
- Issuance of 3 Design Clearance Permits
- Update and review content for the City of Sutter Creek website.

Public Engagement and Marketing

- Crafted 6 social media marketing ads designed to reach specific target groups.
- Preparation for upcoming spring marketing season.
- Transition website for Spring.

Item 9F

TO: SANDRA SPELLISCY, INTERIM CITY MANAGER

MEETING DATE: MARCH 20, 2023

FROM: JODI STENECK, ACCOUNTING SUPERVISOR

SUBJECT: FINANCE DEPT. JANUARY 2023 REPORT

RECOMMENDATION:

Informational only.

BACKGROUND:

To provide information regarding the activities of the Finance Department for the month of January 2023.

DISCUSSION:

Accounts Receivable

- Ten (10) Building Permits were issued in January for a fee total of \$3,094.
- Facility rental revenue for the month of January was \$3,493.50.
- TOT collected for December was \$15,180.
- Currently we have: 187 Sewer service customers enrolled in e-billing and 309 Sewer service customers are enrolled in auto pay.

Accounts Payables

- 53 Warrant checks were issued in the amount of \$183,440.02.

TO: Sandy Spelliscy, Interim City Manager

FROM: Matt Ospital, PE City Engineer

SUBJECT: Project Status Update

DATE: March 13, 2023

Sandy, the following is a status update of all projects WGA is currently working on:

- 1. <u>Citywide CIP</u> Preliminary cost estimates and exhibits have been completed and presented to the City Council. The engineering team has updated project worksheets and is ready for City review.
- 2. <u>Eureka Road Storm Drain Replacement Project</u> City has received signed contract from Wunschel & Sons, Inc.
- 3. <u>Gold Strike Court Storm Drain Replacement Project</u> City is awaiting a signed contract from Campbell Construction.
- 4. <u>Cramer Hills</u> Final Map was on the 3/6 consent agenda, but Council tabled the item. Will need to go back to Council for City acceptance.
- 5. <u>Building Inspections/Plan Check</u> Continuing building inspections on Tuesdays and Thursdays or as needed. Building plan check is being performed on a continual basis as plans are submitted.
- 6. <u>Bryson Park Upgrade</u> Construction was substantially completed on November 18th. Due to the colder weather, court striping cannot be completed until Spring as recommended by the paint manufacturer.
- 7. <u>Gopher Flat Realignment</u> Currently working on a new alignment to remove one of the road curves and possible widening. On hold due to Swift parcel findings.
- 8. <u>Development Standards</u> Create new standards under the current planning grant the City received. Scope of grant included an EIR for the Zoning Ordinance update, circulation element, and the development standards. Grant has a deadline of 9/30/23.

Sutter Creek Community Development Projects as of 3/16/2023:

City Projects

Zoning:

Planning Commission holding a workshop on 3/20/23. Update to the City Council on 3/20/23

Housing Element Update

The comment period ended on 1/9/23. The Draft Housing Element is in HCD's hand for the 90-day review period.

Development Standards

Grant project to be spent by end of 2023. Staff is working with the Planning Commission on direction on this item.

Circulation Element

Draft completed by GHD, and reviewed by PC and CC, but has not adopted because CEQA has not been done. CEQA will be done with the Citywide environmental analyses. If the CC would like to adopt the Circulation Element before completing the Citywide EIR that is possible but will cost additional money and will not be grant funded.

Citywide EIR

Grant project to be spent by end of 2023. This may be reduced to a Mitigated Negative Declaration depending on the revised scope of the grant work products.

Applicant Projects

Broadmeadows and Panner Creek

Staff are still waiting on a joint EIR from the applicant.

There are concerns that water may be an issue.

Gardella Deli next to church on 49 just south of Valley View

No updates at this time. The applicant is working with CalTrans on reviewing access to the project. The applicant is also working on a Site Plan.

Sutter Creek Ranch (Gold Rush Ranch Specific Plan)

No updates

DANCO Valley View and Bowers

DANCO submitted a project update letter in Dec. 2022. They are still working with AWA on securing water.

Hertzig site plan 12201 Eureka Rd.

Staff is waiting on a response from the applicant.

Weigand lot split Foothill Drive

The applicant has reviewed the responses from the referrals and would like to proceed with the project.

MACT 321 Old Hwy 49

Staff meet with the applicant and is waiting for a revised site plan.

Cramer Hills LLC- Tentative Map

The Planning Commission approved an extension for the Tentative Map. The applicant is working with the City Engineer on the Conditions of Approval for the map and anticipates it will be finalized early 2023.

92 Ridge Business Park Mini Storage

The applicant has submitted for building permit.

STAFF REPORT

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

MEETING DATE: MARCH 20, 2023

FROM: JODI STENECK, ACCOUNTING SUPERVISOR

SUBJECT: CLARIFICATION OF WATER RATES FOR CITY PARKS

RECOMMENDATION:

For information only.

BACKGROUND:

In February the staff provided a water use analysis for the parks in Sutter Creek but the Council had additional questions. The Amador Water Agency (AWA) invoices for the parks in Sutter Creek are contained attachments A, B and C, and show the meter size and costs per AWA. The forms are from the AWA website and I have added notes to designate which parks have what size meters and the cost of the Service Charge and the Debt Service with the total amount to the right of each sheet. This amount is with zero water consumption.

DISCUSSION:

As an added note, George Allen from Public Works reviews our water invoices before we process for payment and if any water consumption seems high then he investigates and/or resolves any issues immediately.

BUDGET IMPACT:

Sutter Creek Road Conditions

Peter Lilley <pglilley@volcano.net> To: info@cityofsuttercreek.org

Wed, Mar 8, 2023 at 3:44 PM

Hi, I am contacting you about the state of conditions of some Sutter Creek city roads regarding numerous large and deep and possibly dangerous potholes and road breaking up, specifically Church St to the city east city limit which is very bad. Also Gopher Flat/ Shake Ridge RD to the east city limit,

And also Oro Madre Way by the Amador High School sports field is also quite serious in places and maybe dangerous to adults and children on bicycles.

Nearly in all cases as above, the city has repaired these roads recently within the last 2-3 months and now they are just as bad or worse. And maybe they should be resurfaced. I think you should get to these bad spots as soon as possible. I would appreciate hearing from you what your plans regarding these and possibly other roads in the city.

Regards

Peter Lilley.

FW: Safety of the dam above town on Sutter Creek

sspelliscy@cityofsuttercreek.org <sspelliscy@cityofsuttercreek.org> To: Karen Darrow <kdarrow@cityofsuttercreek.org>

From: Troy Mobley roymobley <a href="mailto:sangle-sa

Subject: Safety of the dam above town on Sutter Creek

Good morning over the weekend I went out for a walk up Eureka Street and was surprised at the logs and debris buildup in the damn above town. After thinking about it I have concerns abou

1-Does this debris buildup cause a higher structural load on the dam then it was designed to take?

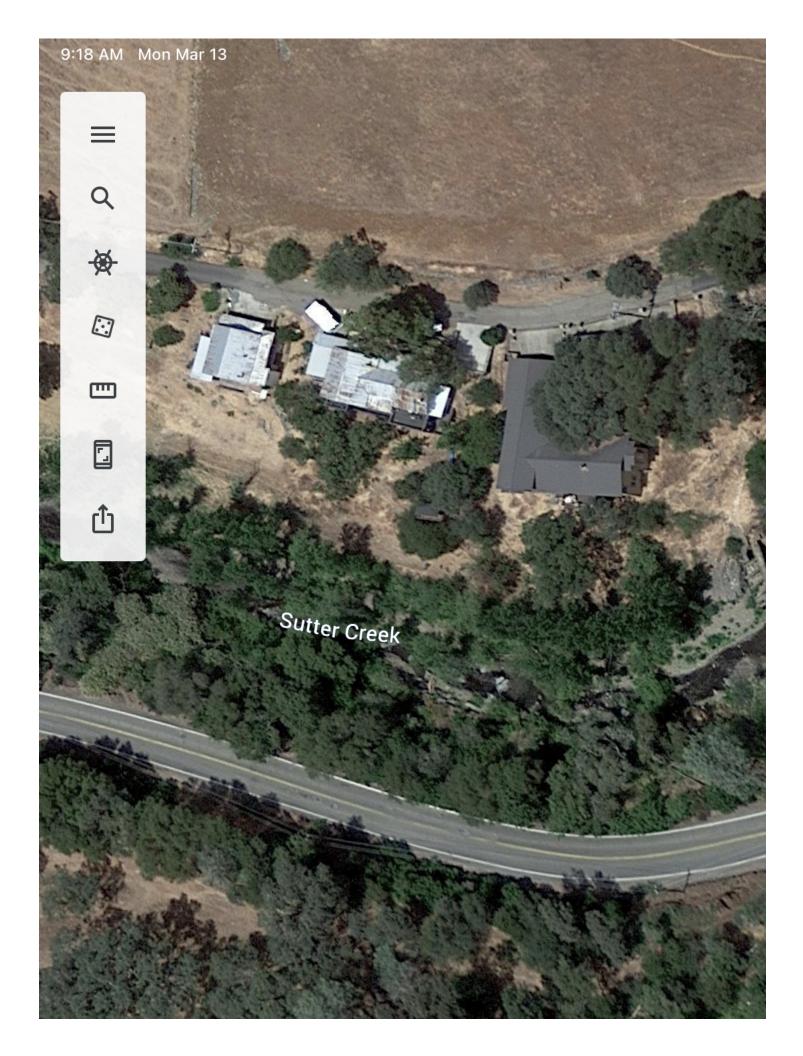

2-During this next storm, a.k.a. atmospheric river this week. If the debris buildup builds higher, if the damn failed would it pose a risk to life, and property in Sutter Creek?

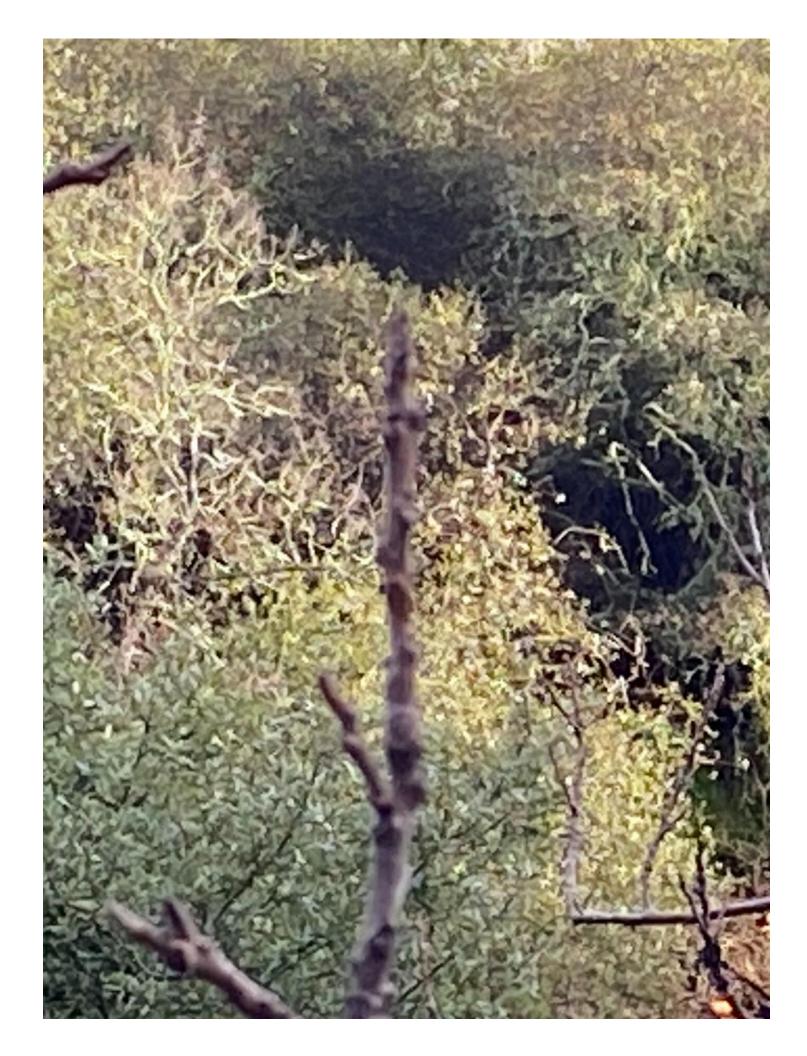

3-has an engineer recently completed an on site inspection?

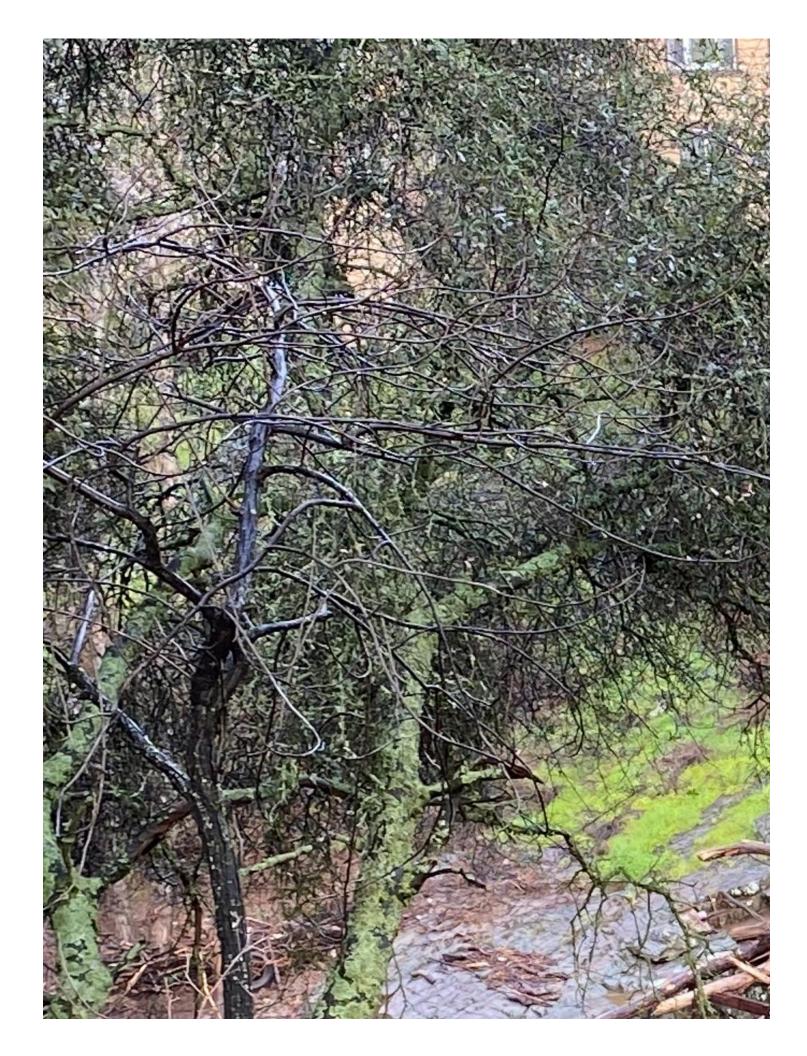

4-is there plans to cut up of the debris (logs) so they would flow down stream and mitigate the risk?

5-if the 20-30' logs flow downstream vs 5-10' chunks don't they pose a risk to walls and other structures downstream?

Please see attached photos to include the first one from Google earth a few years prior.

Thank you,

Troy Mobley 21, Clear Creek way Sutter Creek, CA 95685 Cell 209-304-5203

STAFF REPORT

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

MEETING DATE: March 20, 2023

FROM: Sandra Spelliscy, Interim City Manager

SUBJECT: Proposed CC Meeting Calendar for Remainder of 2023

RECOMMENDATION: Discussion only.

BACKGROUND: The Interim City Manager has prepared a proposed meeting calendar for the remainder of 2023 to capture the Council's intention as to meeting dates and set out specific dates for anticipated agenda items/actions. Additional items will be added as identified.

DISCUSSION: Note recommendations for summer and winter recess dates.

BUDGET IMPACT: None

ATTACMENT: Proposed meeting calendar

STAFF REPORT

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

MEETING DATE: March 20, 2023

FROM: Sandra Spelliscy, Interim City Manager
SUBJECT: Request for support, County Clean-up Day

RECOMMENDATION: Approve \$1,000 to support County-wide clean-up day. Date TBD.

BACKGROUND: The County is requesting \$2,000 in support. From Michelle Gallaher, County Code Enforcement Officer:

The funding will go towards the following: volunteers are provided breakfast, lunch, and safety gear (gloves, eye protection, safety vest) along with sunscreen, first aid, hand sanitizer, etc. Equipment such as traffic cones, a-frames, grabber (dozer), traffic control measures, signage, clean-up tools such as shovels, brooms, dust pans, etc. CHP presence for traffic control on highway. Advertising with banners, in the ledger paper, and at other events. We will have several groups there collecting materials, metal, e-waste, and tires, and will go towards labor costs to have the groups there collecting. Also, during the week of the clean up, I have a group of volunteers that will go collect items from seniors or disabled people who call in before the deadline and they are provided with food as well.

DISCUSSION: This was previously brought to the Council by Officer Gallaher and Supervisor Axe during a Public Comment period. The City of Jackson is providing \$2,000 in funding.

BUDGET IMPACT: The funds would come from the Beautification Fund under Marketing. The FY 22-23 Budget appropriated \$3,500 to that fund, and it has a current balance of \$3,000. If the Council approves this item, the remaining balance would be \$2,000.
