

DON'T FLUSH TROUBLE!

THESE ITEMS BELONG IN THE TRASH CAN!

				
Grease	Cleaning wipes	Disposable diapers, nursing pads & baby wipes	Hair	
				
Condoms	Facial wipes	Tampax and pads		

The label might say "flushable," but disposable wipes and other products are clogging our sewer lines and damaging pumps and other equipment.

Not only are these problems expensive to fix, they can also cause raw sewage overflows into homes, businesses and local waterways. So, think trash, not toilets!

Just a few trashy reminders.....

- ❖ Conventional household garbage must be stored in suitable container(s) for residential addresses.
- ❖ Garbage, rubbish, and refuse may not be stored in trailers, pickups, vehicles or other unapproved containers for more than 48 hours.
- ❖ When disposing of large appliances such as refrigerators and stoves doors must be removed to prevent injuries to children that may be tempted to play in them.
- ❖ Trim any vegetation on property that overhangs any city right of way including streets, sidewalks, alleys, or trails below a height of eight feet. This includes any vegetation that is growing into gutters or other waterways that may block the flow of storm water.

Residents and businesses may not place signs attempting to restrict or otherwise control parking on public rights of way. Signs placed without approval of the City may be removed and impounded.

Dear Parents and Students,

Welcome to another school year here in Sutter Creek! Your Police Department would like to remind both parents and driving-age students to be extra vigilant during the congested hours before and after school. In the past, we've had issues with drivers speeding on Spanish and Hanford Streets near Amador High School, and on Gopher Flat and Broad Street near Sutter Creek Primary School. Officers will be patrolling these areas during peak hours to ensure everyone's safety. We encourage drivers to slow down and follow all traffic laws so that commuters and pedestrians will be safe.

The Sutter Creek Police Department wishes everyone a safe and enjoyable school year.
